2. **2110 E. Glendale Ave. – Kevin & Mary Jo Wansell**– The proposed project at the front elevation would be to relocate the existing garage door to align with the exterior wall framing of the south/front elevation of the residence. The purpose of which is to allow access from the garage immediately into the house. The new segmented raised panel garage door would be made of white prefinished, insulated steel. Also, three punched openings at the west elevation near the front, shall be infilled with new white window sashes; the glass shall be obscure/frosted glass. At the rear elevation, two double hung windows will be replaced by casement units and the bottom sill will be approximately 8 inches lower. A bathroom at the rear of the residence, will have the double hung window replaced in tempered glass within the same frame configuration.
