

Bay Leaves

FALL 2007

THE OFFICIAL NEWSLETTER OF THE VILLAGE OF WHITEFISH BAY

Kathleen J. Pritchard

GREETINGS FROM THE VILLAGE PRESIDENT—

Kudos to the many who made summer in Whitefish Bay even more enjoyable. The beautiful gardens on the boulevards, the repair of the fountain, the installation of the tennis courts, the use of the baseball fields, the summer concerts, the memorable parade and fireworks, the bike races, the Sounds of Summer---these and others make our Village a community. I hope your summer provided the perfect combination of excitement and relaxation for you and your family.

In addition to those who have made our recent past enjoyable, I want to thank members of the Historic Preservation Commission for the work they are doing in making our more distant past common knowledge. I encourage you to follow their work in Preserving our Past on WhitefishbayNOW.com

Several months ago, I initiated Coffee with the President, office hours the third Saturday of the month to give people with busy schedules the opportunity to have their voices heard. Since then, I have had the pleasure of meeting with over 35 residents who came to offer ideas or raise concerns. A frequent comment, that I am sharing with my fellow Trustees and the Village Manager, is that residents are willing to invest in our aging infrastructure. We are under order from the Department of Natural Resources (DNR) to repair and reconstruct our sewers, many of which were built before 1917. In the past, in efforts to keep taxes low, some needed repairs were postponed. But as you know from your own home maintenance and repair, deferred maintenance has a cost. The clear message I am getting from the Saturday morning coffees, in written correspondence, and in meeting people on the streets, is that more needs to be done to maintain the quality of life that people have been accustomed to in Whitefish Bay. People are asking us to move forward faster with capital improvements including the work on the business district on Silver Spring. Of course, an expedited schedule will require additional resources. This is a good time to become involved in the budget process and let us know what you are willing to support. Contact your Trustees, attend the budget hearings this fall, or stop by for coffee on the third Saturday of the month.

For those of you whose summer has been disrupted by the construction, thank you for endurance and your feedback. For those of you who are waiting for repair on your street or one you travel frequently, thank you for your patience. Remember that you can view the Capital Improvement Plan and information about construction projects and Silver Spring development on the Village website at www.wfbvillage.org

May your fall be filled with color.

Kathleen J. Pritchard, President

SATURDAY SESSIONS WITH THE VILLAGE PRESIDENT

On the third Saturday of each month Village President Katie Pritchard will be holding an informal session to meet with residents to talk about the Village of Whitefish Bay.

Upcoming Dates: Sept. 15, Oct. 20, Nov. 17, Dec. 15.

Location: Lower level of Village Hall in the Historical Room

Time: 9 a.m. - 11a.m.

CUMBERLAND AND RICHARDS SCHOOL OPEN HOUSE

THE COMMUNITY IS INVITED TO STOP IN AND SEE THE SCHOOLS

WHEN: Sept. 27 from 6 p.m. to 7:15 p.m.

WHERE: CUMBERLAND SCHOOL:
4780 N. Marlborough Dr.

RICHARDS SCHOOL:
5812 N. Santa Monica Blvd.

2007 VILLAGE REVALUATION IS NOW COMPLETE

The 2007 revaluation is now complete according to Assessor Martin Kuehn of Tyler Technologies - Cole-Layer-Trumble Division. Values were sent to property owners in mid-April with a local appeal process that followed.

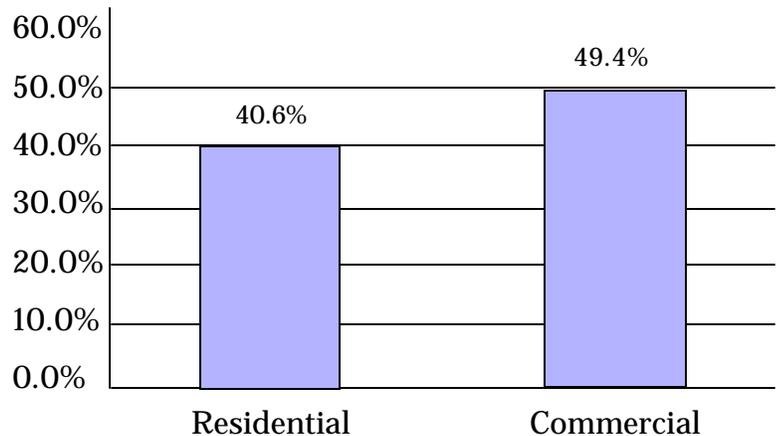

The local appeal process is now complete with the adjournment of the Board of Review on July 18. The only assessments that are not final are for property owners who wish to appeal their assessment as set by the assessor and have had their case heard by the Board of Review. They may have their cases reviewed either by the Department of Revenue or Circuit Court.

The total change in assessment from 2006 to 2007 is \$583,778,950 or 41.2% to a new total of \$1,975,038,350 for real estate and \$4,738,700 for personal property. Residential parcels saw a total increase of \$546,671,650 or 40.6% and the commercial parcels increased \$37,107,300 or 49.4%. Based upon research of sales data from 2005 and 2006, the new assessments should closely represent 100% as of Jan. 1, 2007 within a small margin (less than 1%.)

Included in the mailing was a calculator worksheet to show the estimated computation of the future (2007) tax liability using last year's tax levy. The figure in the mailing was \$20 per \$1,000 assessed. The figure with the current final values would actually indicate a value of \$19.51 per \$1,000 assessed based upon last year's levy. The final levy will be calculated later this year once all taxation bodies complete their budgets and establish their final tax levy.

The Open Book process, which was the first step of the appeal process, saw property owners wishing to discuss roughly 440 of the municipality's 4,950 parcels compared to approximately 550 parcels for the 2001 revaluation. This year the Board of Review heard information presented for 22 parcels compared to 40 parcels in 2001.

**Percent Increase In Property Value
2007 Revaluation**

4TH OF JULY FIREWORKS

Thank you to all involved in helping to make this year's July 4 celebration another tremendous success, including volunteers from the WFB Civic Foundation, DPW employees, and Sendik's Foods which again sponsored the fireworks display. Public and private partnerships such as these help to provide quality events enjoyed by the residents of Whitefish Bay.

HOLIDAY TRASH PICK-UP

Thanksgiving Holiday - Public works crew will not pickup garbage or recycling on Thursday, Nov. 22 or Friday, Nov. 23. If your garbage or recycling day is on Thursday you will need to put out garbage on Tuesday. If your garbage or recycling day is on Friday you will need to put garbage out on Wednesday. Please have all garbage and recycling out and accessible by 7 a.m. During double route days the time for pick-up can vary from your normal pick-up time. No Special pick-ups will be done the week of Nov. 19.

REGULAR PICK-UP
Monday's Route
Tuesday & Thursday
Wednesday & Friday

HOLIDAY PICK-UP
Monday, Nov. 19
Tuesday, Nov. 20
Wednesday, Nov. 21

OUTDOOR BURNING ORDINANCE:

Residents should be aware that the Whitefish Bay Municipal code prohibits any fire outside of a building unless it is being used for cooking purposes and meets the other restrictions cited below.

8.01 OFFENSES ENDANGERING PUBLIC SAFETY

(5) BURNING PROHIBITED.

- (a) No person shall kindle any fire outside a building within the Village of Whitefish Bay except fires used for out-of-door cooking which are confined so as to prevent the escape of burning material, or those used in connection with construction projects.

LEAF COLLECTION

WHEN WILL LEAF PICK-UP BEGIN?

The Public Works department will begin picking up leaves around mid October. The Public Works department does not schedule a day to pick-up leaves on your street. Although leaf pick-up is a priority, it is dependent on crew availability and the volume of leaves that need collecting.

WHERE DO I PLACE MY LEAVES?

Leaves must be placed near or in the curb of the street. Because leaf decay can clog storm sewers and add unwanted nutrients to Lake Michigan we ask that you place your leaves away from storm inlets.

CAN I THROW YARD WASTE IN THE LEAF PILE?

We encourage property owners to throw yard waste in the leaf piles to preclude a separate yard waste pick-up. Yard waste is plant material such as flowers and garden material. Branches, sticks and other woody material should not be placed with the leaves and should be left on the boulevard for chipping. Woody material makes composting of leaves more difficult.

WHAT DOES THE VILLAGE DO WITH LEAVES? Most leaves are temporarily stored and composted at a DNR monitored site shared with the City of Glendale. In spring the somewhat composted piles are hauled away by a private sod grower and used as bedding material for sod beds.

WHAT IS THE LAST DAY DPW WILL PICK-UP LEAVES OR YARD WASTE? Leaves and yard waste may not be picked up after Nov. 15. To ensure your leaves and yard waste will be picked up before that date, please have all leaves out to the curb by Nov. 12.

YARD WASTE COLLECTION

Listed in this article is information regarding yard waste collection and why your yard waste may have not been picked up. To ensure your yard waste is picked up each week please follow the guidelines below:

GENERAL YARD WASTE PICK UP:

- Yard waste shall be put in containers not to exceed thirty gallons or weigh more than sixty pounds.
- Brush should be placed in neat piles on the parkway
- Yard waste and leaves will not be picked up if put in plastic bags
- Grass clippings or yard waste containing grass clippings will not be picked up

YARD WASTE REQUIRING SPECIAL PICK UP:

- Yard waste stacked five feet or higher along the property line or twelve or more non-plastic bags of yard waste.
- Uncontained soil, sand, rocks or concrete left for pick up

CONTRACTOR WASTE:

- Yard waste generated from contractors will not be picked up
- When hiring a contractor verify they have a means to dispose of the yard waste generated.

Yard waste should only be put out in the parkway for collection on Monday for residences north of Silver Spring Dr. and on Tuesday for residences south of Silver Spring Dr.

SPECIAL EVENTS IN WHITEFISH BAY

DEFINITION: SPECIAL EVENT

Any planned extraordinary occurrence on the public right-of-way or public premises including, but not limited to, parades, processions, bicycle or foot races, or festivals.

No person or organization may hold a special event on the public right-of-way or public premises without obtaining a special event permit.

APPLICATION AND PERMIT PROCEDURE:

Applications for Special Events can be obtained at Village Hall.

All applications must be submitted to Village Hall thirty working days prior to the event for review.

Upon approval, payment of permit fees and the completion of all additional requirements, the Village will issue a Special Events Permit.

As part of the Special Events Permit Application a copy of insurance naming the Village of Whitefish Bay as an additional insured in the amount of 1,000,000 or other insurance limits deemed appropriate is required.

ADDITIONAL INFORMATION:

A temporary Class B Liquor License requires a separate application from Village Hall and approval from the Village Board.

Any change in the Village Ordinance regarding amplifiers or amplification of music requires approval from the Village Board.

HISTORIC PRESERVATION COMMISSION

In August, the Historic Preservation Commission, designated its fourth property to the Whitefish Bay Register of Historic Places - the Frank Baker House at 601 E. Day Ave.

The Williamsburg-style Colonial was built in 1928 for Frank Baker, who served as president of the Wisconsin State Teachers College, now the University of Wisconsin-Milwaukee, from 1924 to 1946, leading it to national prominence as one of the top teacher colleges in the nation.

The Rosenbaum family has owned the residence since 1946, when Dr. Francis Rosenbaum, a prominent cardiologist and past chair of the Council of Clinical Cardiology for the American Heart Association, purchased it from the Bakers.

The house was designed by noted architect Willis Leenhouts, in collaboration with his father, Cornelius Leenhouts - both with the firm of Leenhouts and Guthrie.

Cornelius Leenhouts was born in 1865 to Dutch immigrant parents in Milwaukee, where he subsequently apprenticed to various architects and worked on the construction drawings for the Columbian Exposition in Chicago in 1892. In 1900 he went into partnership with Hugh Guthrie. Leenhouts remained in practice almost until his death in 1935.

Hugh Guthrie was born in Scotland and came to Milwaukee as a young man. After apprenticing with various architects, he joined Leenhouts in 1900. Guthrie was active in the firm until his death in 1945.

Willis Leenhouts started architectural practice with Leenhouts and Guthrie in the late 1920s. In 1943, he married Lillian Scott, the first woman licensed to practice architecture in Wisconsin, and they entered into a professional partnership in 1945. Willis and Lillian are one of the few husband and wife teams to be inducted into the College of Fellows of the American Institute of Architects. Lillian passed away in 1990, and Willis in 1992.

“PRACTICE YOUR ESCAPE PLAN”

THE NORTH SHORE FIRE DEPARTMENT REMINDS NORTH SHORE RESIDENTS TO ‘PRACTICE YOUR ESCAPE PLAN’

Traditionally Fire Prevention Week is observed nation wide from Oct. 8-14. However, the North Shore Fire Department chooses to observe the entire month of October as Fire Prevention Month. During this time the North Shore Fire Department reminds local residents to 'Practice Your Escape Plan.' During this year's fire safety campaign, firefighters and safety advocates will be spreading the word about having a Family Fire Escape Plan and to "Practice Your Escape Plan"-and teaching local residents how to prevent fires from starting in the first place.

In 2005, U.S. fire departments responded to 1.6 million fires and 24% of these were home fires. Home fires killed 3,030 people that year - roughly 8 people every day - yet only 23% of households have actually developed and practiced a home fire escape plan.

The public is invited to practice their escape plan by participating in The Great American Fire Drill. During October, Sparky the Fire Dog® urges people to "Practice Your Escape Plan." People participating in The Great American Fire Drill will be able to sign up and be counted at Sparky's Website www.sparky.org. Information will be available this summer on how to download an "I Did the Drill" certificate.

Create Your Own Home Fire Escape Plan

- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark smoke alarms with "SA." Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family meeting place outside.
- Remember, practice your plan at least twice a year.

It is important to be prepared to escape from a fire if one occurs, but it is equally important to prevent fires from happening. The North Shore Fire Department suggests taking steps to avoid fires by making sure your home and activities that take place there are as safe as possible. The leading causes of home fires are cooking, smoking, heating, electrical equipment, and intentionally set fires. Cooking leads to the most fires and injuries while fires caused by smoking leads to the most deaths. Visit the Fire Prevention Week Website at www.firepreventionweek.org for more statistics about fires and useful safety tips on how to prevent them.

This is the 86th year that fire departments have observed Fire Prevention Week, making it the longest running public health and safety observance on record.

For further information contact:

Jill K. Glanz, NSFD Public Education Specialist (414) 228-0292 jglanz@nsfire.org or www.nsfire.org

NORTH SHORE JUNIOR WOMEN'S CLUB

Help Make Area Ambulances Even Better For Our Children

The North Shore Junior Women's Club (NSJWC) is providing the North Shore Fire Department with a set of Color - Coded Pediatric Care Bags, which allows paramedics and EMT's to access the appropriately sized equipment for children.

We need your help. Please consider a donation in any amount to help this project. Your check made out to "The North Shore Junior Women's Club Inc." is tax deductible as allowed by law. Please mail your donation to NSJWC, P.O. Box 170352, Whitefish Bay, WI 53217.

For more information, please call Liz Sanders at 962-0865.

FROM THE WHITEFISH BAY POLICE DEPARTMENT CRIME TIP

The Village, as well as surrounding communities, has experienced an increased number of thefts from vehicles and unlocked garages during late evening and early morning hours. In the majority of cases, vehicles were left unlocked, and valuables were in plain view. If vehicles are left outside, remove items of value or secure them in the trunk. Lock your residence and garage doors, and do not leave bicycles or other items of value outside. Be aware of suspicious persons or activities around your house and neighborhood, and immediately report anything to the police.

TRICK OR TREAT SAFETY TIPS:

With witches, goblins and superheroes descending on neighborhoods across Whitefish Bay, the Police Department offers parents some tips to help prepare their children for a safe and enjoyable trick or treat holiday. Halloween should be filled with surprise and enjoyment, and following some common sense practices can keep events safe and fun:

- Walk on the sidewalks, not in the street
- Look both ways before crossing the street to check for cars and trucks
- Cross streets only at corners
- Do not hide or cross the street between parked cars
- Plan your route and share it with your family. If possible have an adult go with children.
- Accept your treats at the door and never go into a stranger's house.
- Use face paint rather than masks or things that cover your eyes.
- Be cautious of animals and strangers
- Do not eat candy if the package is already opened.
- Small hard pieces of candy are a choking hazard for young children

FALL MEANS CHILDREN ARE GOING BACK TO SCHOOL, AND TRAFFIC SAFETY IS IMPORTANT.

- Slow down in school zones
- Watch for children crossing streets, and for directions from crossing guards
- Be extra vigilant on streets adjacent to schools, especially at the beginning and end of school days.
- Watch for children darting out from between parked cars.

Fall also brings leaves changing colors, and those attractive leaf piles children love to play in. Please discourage your children from playing in leaf piles on the street. Vehicle drivers may not see them, and drive through the pile. Drivers, please be extra vigilant around leaf piles and don't drive through them. Children may be playing in them and be covered by leaves.

SHOREWOOD/WHITEFISH BAY HEALTH DEPARTMENT CLINICS

2010 EAST SHOREWOOD BLVD. • 847-2710

ADULT HEALTH RISK SCREENING (by appointment)

4th Tuesday of the month 8:00 a.m.-12:00 noon
**Sept. 25, Oct. 23 Nov. 27, Dec. 19 (3rd
Wednesday)**

This program includes blood analysis for total cholesterol, HDL, LDL, triglycerides, and glucose; blood pressure and weight check; plus consultation with a registered nurse. Cost is \$25. (Cash or check only)

IMMUNIZATION CLINICS

(by appointment):

2nd Monday 2-4 p.m.

3rd Tuesday 7:30-9:30 a.m.

Sept. 10 & 18, Oct. 8 & 16

Nov. 12 & 20, Dec. 10 & 18

Most childhood immunizations are \$5. Cost of Meningococcal is \$15. Pneumonia vaccine costs \$45 (if age appropriate, we will bill Medicare) Hepatitis B vaccine is available for adults at a cost of \$100 for the series. The fee will be collected when the first dose is administered. TB tests also administered and the cost is \$10. **WE HAVE A NUMBER OF OTHER VACCINES, CALL TO CHECK AVAILABILITY AND COST.**

BLOOD LEAD SCREENING

(by appointment only) (ages 1-5 years)

For the uninsured or those whose insurance does not cover this screening. Cost is \$5.

TESTING FOR LEAD IN WATER:

Collection kits are available at the health department. Kits contain all needed materials and instructions for collection of a water sample. All samples and fees (\$42 per sample) are to be delivered to West Allis Memorial Hospital Toxicology Lab to be sent to the State for analysis. Results will be sent to your home.

HEPA-VAC RENTAL:

Vacuum cleaner available for public rental. The Hepa-Vac is used to clean up after a remodeling project disturbs lead paint. The Hepa-Vac will pick up the fine lead particles.

There is a \$25 (refundable deposit) and \$10 per day rental fee. Call the Health Department at 847-2710 to reserve the Hepa-Vac.

BLOOD PRESSURE CLINIC (no appointment necessary)

Sept. 26, Oct. 24, Nov. 28

4:00-6:00 p.m.

Held at the Shorewood Health Department (Located in the lower level of the Shorewood Village Center/Library/Health Department Building)

WISCONSIN WELL- WOMAN PROGRAM

Will provide free health screenings and diagnostic tests for several conditions, including mammograms and pap smears, for women 50 through 64 years of age who meet income guidelines. Please call the Health Department at 847-2710 to determine eligibility.

ENVIRONMENTAL HEALTH

It has been a year since Whitefish Bay joined the North Shore Environmental Health Consortium, so the health department would like to provide residents with a brief summary of the consortium's activities.

All restaurants and retail food establishments have been inspected and follow up continues for required corrections. Something new for Community Event Planners: any food sold at these events requires the provider of the food to obtain a Temporary Event License from the North Shore Environmental Health Consortium. Please contact Jamie Berg, R.S. at 847-2713 to obtain an application.

A beach water sampling is taken at Klode Beach twice a week during summer to check water quality. Signs are posted to alert beach users when it is safe to swim. This information is also available by calling the health department at 847-2710 or from www.wibeaches.us.

Sewer catch basins were sampled for mosquito larva in July as part of the department's West Nile Virus Surveillance. No problems were detected with this sampling.

To promote radon awareness, the health department is selling radon home testing kits for \$5. Radon is a natural gas released from soil and rock that can remain trapped inside your home. Radon is the leading cause of lung cancer among non-smokers.

Membership in the Whitefish Bay Woman's Club is \$45 per year. All women are invited to stop at the clubhouse for a brochure or application during office hours from 8:30 - 11:30 a.m. weekdays.

NATURAL LAWN CARE TIPS FOR FALL HEALTHY COMMUNITIES PROJECT

As temperatures are cooling off and grass is entering its second growth phase of the season, consider the following tips to keep your lawn healthy without chemicals:

- 1) Aerate and over-seed around Labor Day or apply corn gluten for extra fall weed control.
- 2) Apply an end-of-season organic, low N-P-K fertilizer in late September. or early October.
- 3) Add FREE organic matter to your lawn and boost overall soil health by making two passes with your mower over the fallen leaves in your yard, then rake up the big pieces as usual. The small particles will work down to the soil layer and naturally compost over the winter.
- 4) Finally, reduce your mower blades to two inches when you mow for the last time of the season to prevent snow mold from developing over the winter.

The Bay players have chosen the Tony Award musical "INTO THE WOODS" as their fall 2007 musical.

When a baker and his wife learn they have been cursed with childlessness by the Witch next door, they embark on a quest for the special objects required to break the spell, swindling, lying to and stealing from Cinderella, Little Red Ridinghood, Rapunzel and Jack (the one who climbed the bean stalk). Everyone's wish is granted at the end of Act One, but the consequences of their actions return to haunt them later, with disastrous results.

The Bay Players will hold a Silent Auction during the run of the show. Items include donations by local artists, businesses, and sports groups. Bid on a football autographed by members of the Packers; jewelery by Polly Daeger, wine and cheese baskets, dinner for two / four from a favorite restaurant. All proceeds go to support the Bay Players.

WHERE: Whitefish Bay High School
1200 E. Fairmount Ave.

WHEN: Friday and Saturday,
Sept. 28, 29, at 8 p.m.
Oct. 5 and 6 at 8 p.m.

Matinee performance will be Saturday,
Oct. 6 at 2 p.m.

TICKETS: Adult - \$16
Student / Senior - \$14

Purchase season tickets now and save \$8

Reserved seating is available by mail one week before the performance or at the box office the night / day of the performance. Call Bay Players HOTLINE (414) 299-9040 for ticket information or visit www.thebayplayers.com

For questions on natural lawn care call (414) 963-9816.

On the corner of Lake Drive and Silver Spring • 414-961-6200

We want to thank the local community for supporting our businesses throughout the year. As some businesses found their way to the Bayshore Mall, our beloved Silver Spring Drive began its current transition. We must welcome all the new businesses and look forward to the new neighbors we will be having very soon. We encourage you to stop by to welcome these new businesses in the North Shore.

Hounds Around Town

330 East Silver Spring Dr.

A new doggie boutique with numerous brands of natural & organic dog & cat food - including Milwaukee Companion Natural Pet Food - as well as a Bakery, dog bar, toys and supplies.

Patricia Shoppe

403 East Silver Spring Dr.

In this eclectic boutique's antique cabinets you will find a large collection of fine, fashion, and handcrafted jewelry. The Shoppe also features fabulous accessories: shoes, watches, sunglasses, hats, and purses.

Regina's Bay Bakery

423 East Silver Spring Dr.

One of Whitefish Bay's oldest and famous businesses has a new owner. The bakery plans on still providing the same products as the previous owners, and has now offered much, much more.

Milwaukee's Finest Guitars

324 East Silver Spring Dr.

An exciting new store featuring guitars and amps. Because guitars are their passion, they carry custom models, limited editions, and signature series. They didn't get the name Milwaukee's Finest Guitars out of the hat!

Balia Wellness Center

103 East Silver Spring Dr.

An integrated Wellness Center focused on alternatives for a healthy lifestyle. The Center offers consultations and classes, aromatherapy, essential oils, massage, skincare services and a wellness store. Need a gift? Find it here.

THE PUMPKINS ARE COMING!

The Whitefish Bay Civic Foundation is proud to present **The Great Pumpkin Festival** Friday, Oct. 26 through Wednesday, Oct. 31, 5 p.m. to 9 p.m., at Old Schoolhouse

Park, located directly across from the Whitefish Bay Public Library, 5420 North Marlborough Drive. Each night at dusk, volunteers will light the jack-o-lanterns. Family pumpkin carving every night (pumpkins & tools provided) along with activities, music, entertainment, food and refreshments.

Volunteers are needed to help with pumpkin lighting. Visit www.wfbcivicfoundation.org to learn how to get involved with this great event.

The Whitefish Bay Civic Foundation is a volunteer board of village residents which sponsors and plans many civic projects and events. The Whitefish Bay Civic Foundation is committed to supporting civic projects that address the needs within our community.
