SUMMER 2007

THE OFFICIAL NEWSLETTER OF THE VILLAGE OF WHITEFISH BAY

GREETINGS FROM THE VILLAGE PRESIDENT—

Just as Spring and Summer bring new life to our yards and neighborhoods, they bring changes to our Village government. This year we welcome new Trustee James Roemer and welcome back Jim Brennan who was reelected to serve another term. I am pleased to preside over a full board of seven members whom you have entrusted to govern your Village.

Kathleen J. Pritchard

Each year, as new trustees take their seats, we are reminded of the requirements of good government. Operating under Robert's Rules of Order, civility, respect and open proceedings are the guiding principles that require putting aside personal self-interest and working together for the common good.

In addition to the elected officials and public employees, nearly 60 Village residents serve quietly and conscientiously on various boards and commissions. They bring talent, time, expertise and a willingness to serve. We welcome new appointees Jay Miller, Jim Hecht, Edward Harness, Walter Pieper, Gina Hanson, William Fetterly, Patti Stevens and Rick Anderson.

At our annual recognition event this year, we honored three volunteers for their exceptional service; Tim Bently on the Board of Appeals, Rita Rochte for her service on the Library Board, and Tom Fehring for his work with the Historic Preservation Commission. Special thanks went to Rob Mulchahy and Bob Gegios for their longstanding commitment and contribution to the Village on the Police and Plan Commissions respectively. All who attended were pleased to learn that a recent Harvard study documents that people who contribute to the community are happier, healthier and actually live longer than those who do not!

Of course, there are many ways to contribute to the community. Resident Mark Kuehn was the first to appear at the newly instituted "Coffee with the President" on the third Saturday of the month. He arrived with two young daughters and a suggestion for an improvement at School House Park. Mark offered to explore interest in installing a permanent band shell to host the concerts and other community events that occur in the park. Recently, the Village Board accepted a contribution from the Whitefish Bay Civic Foundation to repair the fountain there, and from the Whitefish Bay Tennis Club to replace the tennis courts at Cahill. These examples of initiative and generosity are so welcome at a time when the Village is focusing resources on needed maintenance and improvements of our infrastructure.

The summer schedule will be crowded with Public Works projects in Whitefish Bay. All of us who have gone through home improvement projects can relate to the inconvenience and stress that these projects can bring and to the feeling that it has been worth it, once it is completed. We appreciate your patience and your feedback and suggestions as the work proceeds. And we encourage your input on the proposed Silver Spring "streetscaping" plans at the 7:00 p.m. meeting on June 6th. Speaking of improvements, watch the Village website (www.wfbvillage.org) and the recorded information phone line (962-2158) as we continue to work to provide current and useful information for you.

I look forward to seeing you at one of our great summer events, or just passing in the neighborhood. May your summer be relaxing.

Kathleen J. Pritchard
President

SATURDAY SESSIONS WITH THE VILLAGE PRESIDENT

On the third Saturday of each month Village President Katie Pritchard will be holding an informal session to meet with residents to talk about the Village of Whitefish Bay.

Upcoming Dates: Aug. 18, July 21, and Sept. 15.

Location: Lower level of Village Hall in the historical Room

Time: 9 a.m. – 11a.m.

VILLAGE OF WHITEFISH BAY REVALUATION

The assessor's office is in the final phases of the OPEN BOOK period for the 2007 village wide revaluation.

The following is a tentative calendar of events for the upcoming months:

June 8 – Letters of determination mailed from open book appointments

June 28 – Board of Review appointments begin. Owners must give 48-hour notice to the clerk prior to the start of the first day of hearings.

If you did not receive a notice of assessment in April, or you have questions contact the assessor's office at 962-6690.

GARLIC MUSTARD WHAT DO I DO IF I FIND GARLIC MUSTARD IN MY YARD?

Garlic Mustard is an invasive species and Whitefish Bay has the perfect climate for these plants to survive. If these plants are left to grow they will spread into lawns, gardens and wooded areas and choke out the existing vegetation.

If you spot garlic mustard on your property, please hand pull it out of the ground. It is best to remove the plant when the soil is damp and before it begins to flower. Throw the entire plant including the root ball in a heavy clear plastic garbage bag and close it up. If you have a small amount you can put it into a small clear plastic bag and into your garbage container. If you have a large amount, put it into a heavy plastic garbage bag and label it garlic mustard. Leave the bag next to your garbage cans. Our garbage collectors will pick it up with your weekly trash. Please do not put the garlic mustard in yard waste or your compost pile. Yard waste is composted and the garlic mustard will contaminate the compost and further spread. Cutting the plant is not recommended as it has to be done at a certain period of time or the plant will re-sprout.

If you want to learn more about garlic mustard please visit the DNR website at www.dnr.state.wi.us/invasive/fact/garlic.htm.

QUESTIONS REGARDING THE DISPOSAL OF GARLIC MUSTARD CAN BE DIRECTED TO ENGINEER@WFBVILLAGE.ORG.

VOLUNTEERS PERFORM “WEED OUT”

Thanks to the nearly 25 people who helped at the Weed-Out on May 5 along Santa Monica Blvd. between Lake View and Montclair. The Healthy Communities Project sponsored the event to reduce weeds through soil aeration and weed removal without the use of pesticides. Please check

the Healthy Communities Project web site at www.healthycommunitiesproject.org for upcoming events, studies regarding the effects pesticides have on humans and animals as well as help on how to adopt an organic turf management plan for your own yard.

USE OF STREETS AND RIGHT OF WAYS

Construction and landscape materials cannot be stored directly on the street or right of way for any period of time unless they are stored properly under a right of way permit. Any debris or damage by a contractor or landscaper is their responsibility to take care of. The Village does not haul away contractor or landscaper debris or repair their damage.

Village officials accepted a \$7,554 donation from the Whitefish Bay Civic Foundation on May 30th for repair of the fountain at School House Park located across from the Library. Pictured from left to right are: Tracey Rothmun, Bob Kuesel, Village Manager Jim Grassman, Kevin Kenealey, Village President Katie Pritchard, Carol Cochran and Gerry Steel.

GARBAGE & YARD WASTE ISSUES

The Village receives calls from residents when their garbage or yard waste was not picked up. To insure your garbage or yard waste will be picked up please follow these guidelines:

- Do not place hypodermic needles or syringes in the garbage. Please contact your medical supplier for proper disposal.
- Put garbage in a metal or plastic container or sturdy bag. The container cannot be larger than 30 gallons and shall not weigh more than 60 pounds. If you currently have a container that is more than 30 gallons please put your garbage in several sturdy plastic garbage bags so the collectors can pull the bags out.
- Make sure the garbage cans and recycling cart are easily accessible.
- Have it out and accessible by 7 a.m.
- Garbage cans and bags cannot be located in underground vaults and pits requiring the collector to lift it above grade.
- Special Pick-ups- If you are cleaning your house or garage, have a remodeling project or remove a tree from your yard, please schedule a special pick-up. Special pick-ups are \$45 for the first 15 min.

- Boxes – Empty boxes completely. Corrugated boxes are recyclable and need to be broken down into a 3' x 3' bundle, tied/taped in a stack and put out with the recycling.
- Whatever does not fit in the recycling cart can be put in another container. All supplemental containers must be left at the curb on your normal pick-up day.
- Cereal and colored boxes are not recyclable and should be put in the garbage.
- Broken glass and window pains cannot be taken as a recyclable. Please put in the garbage.
- Paint – Open lids of water base paint cans and let dry out completely before putting in garbage. If you put paint in the garbage not completely dried out you will be required to pay for clean up and damages. Do not put oil base paint or stains in the garbage as they are considered a hazardous waste and should be taken to the MMSD hazardous waste disposal sites.
- Yard waste shall be put in re-usable containers or large paper bags and not in plastic bags
- Brush- If you have generated a large amount of waste, please contact Kevin Kaegi, Park & Forestry Superintendent regarding a special pick-up.
- The Village does not take any contractor waste. Please arrange with your landscape supplier, builder, tree removal or home repair company to remove this waste.

More information on trash, recycling or yard waste is available on the Village web site and at Village Hall.

HOUSEHOLD HAZARDOUS WASTE COLLECTION

On Saturday, Sept. 29, MMSD will be collecting household hazardous waste at Cahill Square Park. Residents are encouraged to bring hazardous materials such as lead paint, solvents and pesticides to dispose of them free of charge. The collection will take place between 8 a.m. and 2 p.m. rain or shine in the parking lot next to the Cahill Park Shelter. Access will be off Fairmount Ave. For more information please visit www.mmsd.com or call (414) 225-2066.

A BUILDING PERMIT IS YOUR ASSURANCE OF SAFE, QUALITY CONSTRUCTION

Most home improvement projects require a permit, but there are some that do not. Contact the Village to determine whether or not your project requires a permit. Once a building permit application and supporting documentation are submitted, Village staff members perform thorough reviews of the project. This ensures that after the building permit is issued, your project will comply with all building codes and Village regulations. A building permit is a homeowner's best line of defense against substandard work. Inspections by qualified Village personnel are made throughout the construction process, ensuring that the contractor has performed the work according to the approved plans.

Call 962-6690 for more information.

SILVER SPRING STREET SCAPE DESIGN PRESENTATION AND MEETING

The first in a series of three meetings to develop a new streetscape design for Silver Spring Drive will be held at 7 p.m. on Wednesday, June 6 at Village Hall, 5300 N. Marlborough Dr. The public is invited. On June 6, the design consultant hired by the Village will review potential streetscape elements and discuss broad options at a meeting of the Community Development Authority.

HOLIDAY TRASH WASTE COLLECTION

4th of July – Residents who normally get their trash and recycling picked up on Wednesday (July 4) will have it picked up on Thursday, July 5.

Labor Day – Residents who normally get their trash and recycling picked up on Monday Sept. 3 will have it picked up on Tuesday, Sept. 4.

PET REMINDERS

Village ordinances require the following:

- Dogs, not on their owner's property, must be on a leash that is not longer than 6 feet.
- Dogs are not allowed in Village Parks, or on school grounds or any other public areas of the Village.
- Dogs must have a valid license attached to a collar whenever the dog is outdoors, unless the dog is confined in a secure, fenced area. This also helps the Police Department to reunite separated dogs and owners. Untagged dogs at large are transported to the Milwaukee Area Domestic Animal Control.

Any person who takes a dog off of their property is required to have a dog scoop, bag or container in hand, or on their person, to immediately remove fecal matter deposits from public ways and the property of others.

MAKE EVERY DROP COUNT

When maintaining your backyard this season, you can save precious water and money by following a few tips.

- Avoid watering your lawns on windy days; sidewalks and driveways do not need water.
- Use sprinklers that throw big drops of water close to the ground; smaller drops of water and mist often evaporate before reaching the soil.
- Install a rain shut-off device on your automatic sprinklers to eliminate unnecessary watering.
- Check your water meter and bill to track your water usage. An unexpected increase could mean you have a leak.

WHITEFISH BAY HISTORIC PRESERVATION COMMISSION

The Whitefish Bay Historic Preservation Commission has adopted a plaque that will be used to recognize properties that have been placed on the Village's Register of Historic Places.

The bronze 10x7-inch oval will be provided at no cost to owners of properties the Commission has designated historic.

If you believe your home is historic, or you know of another property that you think may be, please contact Village Hall.

Application forms for historic designation, the Village's historic preservation ordinance and designation procedures, and an information sheet about historic designation are available at Village Hall or on the Village website.

To receive designation a property should exemplify the history of the village, state, or nation; be identified with an historical person or event; reflect a unique architectural style; or be the work of a prominent architect or builder.

Local recognition preserves Whitefish Bay's historic legacy, charm, and character for future generations, and for some properties can be a step toward state and federal designation that may entitle the owners to tax benefits.

The Mohr family were the first settlers in what was to become the Village of Whitefish Bay. The monument statue is located in the Town of Milwaukee Cemetery in the 5900 block of N. Port Washington Rd.

(Taken from The Village of Whitefish Bay, 1892-1992, by Mimi Bird, 1992.)

The Historic Preservation Commission in June is expected to designate its third property to the Whitefish Bay Register of Historic Places - the Herman Reel House at 4640 N. Lake Dr.

Constructed in 1928-29, the Herman Reel house was designed by noted Wisconsin architect Richard Philipp and ranks among the most significant examples of the English Tudor Revival Eclectic style in Milwaukee County.

Reel was born in Germany and immigrated to the United States in 1881. He worked in his father's clothing store before establishing his own business as a wool and fur dealer in 1889. In 1914 he opened a store on Grand Avenue (now Wisconsin Ave.) that was reported at the time to be "the largest specialty store of the kind in the country."

Later owners of the home include attorney Herbert Spenner, a member of Milwaukee's German-American community. Spenner served as legal representative for the West German and Austrian governments in Wisconsin for 20 years, and in 1970 received the German Order of Merit for his efforts to strengthen cultural relations between the U.S. and West Germany.

Architect Richard Philipp was a widely known Milwaukee architect who designed many buildings throughout Wisconsin, including several mansions on Milwaukee's East Side, the M&I Bank downtown, the chapel at St. Joseph's Convent, and several buildings for the Kohler Co., including those that are now part of the American Club.

FROM THE WHITEFISH BAY POLICE DEPARTMENT

NOISE DISTURBANCES

Many people enjoy outdoor activities as well as opening the windows in their homes. If you are involved in outdoor activities, please be courteous to your neighbors and keep the noise down. The most common complaints are dogs barking. Please bring your dogs inside if you cannot control their barking.

BE A GOOD NEIGHBOR

1. Close garbage receptacles tightly to keep unwanted pests out and odors in.
2. Remember to clean up after your pets, both in your own yard and away from your property.
3. Do not allow excess birdseed from feeders or other food to accumulate in your yard that may attract unwanted animals.
4. Keep bushes and shrubs trimmed to prevent obstruction of streets, sidewalks and alleys.

TRAFFIC SAFETY IS A TWO WAY STREET

PEDESTRIAN RESPONSIBILITIES:

- **Use Crosswalks** - Always cross at corners and within marked crosswalks where available.
- **Do Not Dart Out** – Do not suddenly enter the street if a car is so close that it is difficult for the driver to yield to you.
- **Clearly Indicate That You Want To Cross** – Do not assume cars see you or are going to stop, even if the car has a red light or a sign telling them to yield to pedestrians. Try to make eye contact with the driver before you step in front of an oncoming car and hold up your hand to signal you intend to cross.
- **Use Crossing Guards** – School children should always cross at intersections with crossing guards when available. Plan a safe route to school for your child and use the same route every day.
- **Look Both Ways** – Look left, right, and left again before crossing. Watch for turning cars. Walk; do not run across the street.

DRIVER RESPONSIBILITIES:

- **Stop For Pedestrians In Crosswalks** – The in-street signs on Silver Spring are a reminder for motorists to yield to pedestrians. Remember that Wisconsin law requires drivers to yield to pedestrians “who are crossing a highway within a marked or unmarked crosswalk” at all intersections, even if there is no sign and even if there is no crosswalk markings on the street.
- **Never Pass A Stopped Car** – It is illegal, and very dangerous, to pass a car that has stopped to let a pedestrian cross in front of it.
- **Be On The Lookout For Pedestrians** – Get in the habit of scanning the sides of the road for pedestrians trying to cross.
- **Obey Speed Limits** – Particularly by schools and on streets where children play.
- **Look For Pedestrians Before Turning** – Especially when turning on a red light.

POLICE DEPARTMENT ADMINISTRATION HOURS

The administrative offices of the Whitefish Bay Police Department are staffed between 8 a.m. and 9 p.m. Monday through Friday and 8 a.m. to 4 p.m. on Saturday. The Police Department administrative offices can assist you with questions regarding citations, open record requests, parking permission, and questions regarding home and personal security. The administrative phone number is (414) 962-3830. In order to obtain police services such as having an officer respond to take a report in the case of theft or other complaint, contact the North Shore Dispatch Center at (414) 962-4619. In an emergency situation, or if in doubt if an emergency exists, contact the North Shore Dispatch Center by dialing 911.

GRILLING

The following safety tips will help you and your family enjoy a safe, memorable grilling season:

- Position the grill away from siding, deck railings and out from under eaves and overhanging branches.
- Place the grill a safe distance from lawn games, play areas and foot traffic.
- Keep children and pets away from the grill area: declare a three-foot “safe zone” around the grill.
- Put out several long-handled grilling tools to give plenty of clearance from heat and flames.
- Periodically remove grease or fat buildup in trays below grill so it cannot be ignited by a hot grill.
- Grill should be positioned 10 ft from roadway and building/house structures.
- Do not grill underneath tarps or tents.

GAS GRILLS

- Check the gas cylinder hose for leaks before using it for the first time each year. A light soap and water solution applied to the hose will quickly reveal escaping propane by releasing bubbles.
- Never store propane gas cylinders in buildings or garages. If you store a gas grill inside during the winter, disconnect the cylinder and leave it outside.
- When using a gas cylinder larger than 20 lbs chain it to something stable to prevent it from tipping over.

CHARCOAL GRILLING

If you are using fluid to start a charcoal grill, only use fluid intended for this purpose. It is extremely dangerous to substitute any other combustible liquid to start the coals. This is especially true for gasoline, which can be ignited by even a tiny spark.

- Grilling on decks and patios poses a fire hazard. The following NFPA code 10.11.7 applies to and is enforced in the North Shore Communities ...

For other than one-and two-family dwellings, no hibachi, gas-fired grill, charcoal grill, or other similar devices used for cooking, heating, or any other purpose, shall be used or kindled on any balcony or under any overhanging portion or within 10 ft (3 m) of any structure. Listed electric ranges, grills, or similar electrical apparatus shall be permitted.

PARKING REMINDERS

OVERNIGHT PARKING: Call 1-900-772-7275 for overnight parking requests. There is a \$1 charge for overnight parking requests and will show up on your local telephone service bill. The Police Department will take parking requests at (414) 962-3830 from those persons unable to call the 900 service telephone number, and a \$1 charge will also apply. Overnight parking rules are in effect year round and require vehicles parked on the street between 3 a.m. and 5 a.m. to have a permit or night parking permission. Calls for night parking permission cannot be accepted between 3 a.m. – 5 a.m.

Residents who present a valid Village building permit to the Police Department may be granted limited parking permission, at no cost, if the street parking is required due to the project.

ALLEY PARKING: The Police Department regularly receives complaints about vehicles obstructing alleys. Parking in this manner can make it difficult for large vehicles to negotiate the alley, or result in a neighbor not able to access their garage. If you choose to park in the alley, no portion of your vehicle may extend beyond your garage apron or property lines into the alley.

**CONTACT THE NORTH SHORE FIRE DEPARTMENT PUBLIC EDUCATION OFFICE
AT 414-228-0292 WITH QUESTIONS.**

SHOREWOOD/WHITEFISH BAY HEALTH DEPARTMENT CLINICS

2010 EAST SHOREWOOD BLVD. • 847-2710

ADULT HEALTH RISK SCREENING

(by appointment)

4th Tuesday of the month 8:00 a.m.-12:00 noon

June 20 (3rd Wed), July 24, Aug. 28,

Sept. 25, Oct. 23

This program includes blood analysis for total cholesterol, HDL, LDL, triglycerides, and glucose; blood pressure and weight check; plus consultation with a registered nurse. Cost is \$25. (Cash or check only)

IMMUNIZATION CLINICS

(by appointment):

2nd Monday 2-4 p.m.

3rd Tuesday 7:30-9:30 a.m.

June 11 & 19, July 9 & 17, Aug. 13 & 21

Most childhood immunizations are \$5. Cost of Meningococcal is \$15. Pneumonia vaccine costs \$45 (if age appropriate, we will bill Medicare) Hepatitis B vaccine is available for adults at a cost of \$100 for the series. The fee will be collected when the first dose is administered. TB tests also administered and the cost is \$10. **WE HAVE A NUMBER OF OTHER VACCINES, CALL TO CHECK AVAILABILITY AND COST.**

BLOOD LEAD SCREENING

(by appointment only) (ages 1-5 years)

For the uninsured or those whose insurance does not cover this screening. Cost is \$5.

TESTING FOR LEAD IN WATER:

Collection kits are available at the Health Department. Kits contain all needed materials and instructions for collection of a water sample. All samples and fees (\$42 per sample) are to be delivered to West Allis Memorial Hospital Toxicology Lab to be sent to the State for analysis. Results will be set to your home.

BLOOD PRESSURE CLINIC

(no appointment necessary)

June 20, July 25, Aug. 22

4:00-6:00 p.m.

Held at the Shorewood Health Department (Located in the lower level of the Shorewood Village Center/Library/Health Department Building)

WISCONSIN WELL-WOMAN PROGRAM

Will provide free health screenings and diagnostic tests for several conditions, including mammograms and pap smears, for women 50 through 64 years of age who meet income guidelines. Please call the Health Department at 847-2710 to determine eligibility.

HEPA-VAC RENTAL:

Vacuum cleaner available for public rental. The Hepa-Vac is used to clean up after a remodeling project disturbs lead paint. The Hepa-Vac will pick up the fine lead particles.

There is a \$25 (refundable deposit) and \$10 per day rental fee. Call the Health Department at 847-2710 to reserve the Hepa-Vac.

IMMUNIZATION UPDATES

The Centers for Disease Control (CDC) and the American Academy of Immunization Practices (ACIP) have introduced several new vaccines for infants and adolescents. RotaTeq (rotavirus) to prevent severe diarrhea has been recommended for infants at two, four and six months of age. Also Hepatitis A has been added to the recommended vaccines for infants.

It is now recommended that adolescents at 11-12 years of age receive Tetanus and diphtheria-toxoids with acellular pertussis (Tdap) and Meningococcal vaccines. In addition, girls ages 11-12 years, should also receive the Human Papillomavirus vaccine (HPV). All vaccines can be obtained through your child's physician or at the Shorewood/Whitefish Bay Health Department.

WHITEFISH BAY RECREATION AND COMMUNITY EDUCATION

SUMMER 2007 PROGRAMS

Youth Programs: Summer playground and playschool as well as youth enrichment classes including Origami, Money Magic and Bug Camp.

Added Adult Programs: World Drumming, History of Whitefish Bay and Making History-Intro to Genealogy.

Friends, Food and Fellowship Program: For ages 55 and older, will hold various luncheons, which include guest speakers.

Please view the Summer 2007 bulletin for a complete listing of classes.

Contact 963-3947 or visit www.wfbschools.com for more information

RECREATION DEPARTMENT SENIOR PROGRAMS

The Recreation Department is sponsoring a trip on Nov. 6 for nine days to Europe, featuring the Netherlands, Belgium, Germany and Luxembourg. The cost is \$2199 double occupancy. Reservations are due now.

Contact Joan Brenk at 963-3992.

GET A CLUE @ THE WHITEFISH BAY LIBRARY

SUMMER READING PROGRAM

Children of all ages are invited to take part in the Whitefish Bay Library's 2007 Summer Reading Program, *Get a Clue @ Your Library*. Registration for Summer Reading begins June 11. Once children have registered, they will be rewarded for reading or being read to with coupons good at popular attractions around Milwaukee. Plus, there's plenty to do at the library. Family Nights for all ages on Tuesday, Story Times for 3 to 5-year-olds on Wednesday, Thursday afternoon entertainment programs for school-age children, book discussion groups, contests, crafts, and more. Visit our website, www.wfblibrary.org, or stop by the library for the summer program brochure.

SUMMER HOURS

Monday -Thursday – 10 a.m. to 8:30 p.m.

Friday – 10 a.m. to 5:30 p.m.

Saturday – 10 a.m. to 3 p.m.

Sunday & Holidays – Closed

AUGUST BOOK SALE

Used books at great prices will be sold in the lower level of the library Saturday, August 11 from 10 a.m. to 3 p.m.. Proceeds from the sale will help The Friends of the Library provide funding to support library programs.

Used books in good condition may be donated to the Friends for ongoing event sales. To donate books take them to the circulation desk at the library.

Fiction, as well as children's and young adult books, are always popular sellers.

for membership information

WHITEFISH BAY COMMUNITY BAND SCHEDULE

All performances are held at School House Park
across from the Library

- June 27 at 7 p.m.
- July 11 at 7 p.m.
- July 25 at 7 p.m.
- August 5 at 3 p.m.
- August 12 at 3 p.m.

Contact President Tom Mohr at
(414) 962-7656 for more information.

SUMMER FUN PLANNED FOR EVERYONE!

Grab your flag and bring your spirit to the **32nd Annual 4th of July Celebration** with the parade kicking off at 11:30 a.m. and festivities and fireworks at Klode Park.

Volunteers are needed to help at Klode Park on the 4th of July. For more information, contact Carol Cochran at (414) 906-9052 or email her at CarolCo@wi.rr.com.

Ice Cream Socials are planned for **Wednesday, June 27, 7 p.m.** and **Sunday, Aug. 12, 3 p.m.**, at School House Park, located directly across the street from the Library on Marlborough Dr. The Community Band will play summertime favorites for the family to enjoy.

The **Sounds of Summer on Saturday, Aug. 18 at 5 p.m. on Silver Spring Dr.** will host **Marc Ballini** with his contemporary folk and R&B style vocals, followed by **Valley of the Dolls** featuring WAMI award winners Janet Planet, Julie Wood, Kim Zick, and Connie Grauer performing an energetic mix of jazz, R&B, and contemporary music. Headlining this year's show is WAMI award winner **The Mr. Lucky Syndicate** - eight accomplished musicians who will play R&B, contemporary and swing style music.

The Whitefish Bay Civic Foundation is a volunteer board of village residents that sponsors and plans many civic projects and events and relies on the time, talent and generosity of individuals and organizations throughout our community for support.

UNATTENDED BLANKETS AT KLODE PARK ON JULY 4TH

In an effort to keep Klode Park clear for park activities, the Village Board has decided to prohibit the placement of unattended items (blankets, tarps, chairs etc.) prior to 4 p.m. on July 4th. Attended items will be permitted.

NORTH SHORE JUNIOR WOMEN'S CLUB

HELP ENSURE THE BEST CARE FOR OUR KIDS!

The North Shore Junior Women's Club has agreed to provide the North Shore Fire Department rescue squad, stationed in Whitefish Bay, with a set of Color-Coded Pediatric Care Bags.

This system allows paramedics and EMTs to access the appropriately sized equipment for each child. The equipment needs of a 3-month-old are very different from an 8-year-old or adult. With Color Coded Pediatric Bags, rescue personnel will be able to meet the needs of our children even faster.

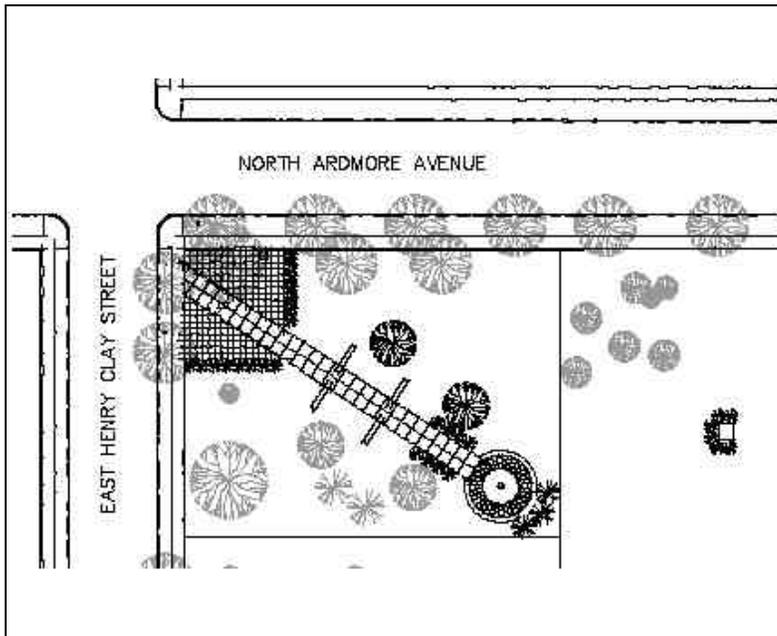

The GFWC Women's Clubs of Greater Milwaukee are working together to outfit all rescue units in Milwaukee County with this equipment. All NSFD ambulances are scheduled to receive the bags late this year.

Your help is needed. To provide these kits, the club needs to raise at least \$1500. NSJWC is a tax-exempt, nonprofit organization described in section 501(c)(3) of the IRS Code, and your check made out to "The North Shore Junior Women's Club Inc." is tax-deductible. Mail your donation to NSJWC, PO Box 170352 Whitefish Bay, WI 53217

For more information call Liz Sanders at 962-0865.

IF YOU ARE INTERESTED IN ATTENDING ONE OF OUR EVENTS OR LEARNING MORE, PLEASE CONTACT MELISSA AT 332-7304 OR LISA AT 332-3368, AND VISIT WWW.NSJWC.ORG.

VETERAN'S MONUMENT AND MEMORIAL GARDEN AT ARMORY PARK

Thanks to those who have generously responded to the request for financial assistance to help construct and maintain a veteran's memorial at Armory Park, located at the southwest corner of Lake Drive and Henry Clay.

"This project is moving forward and we are encouraged by the enthusiastic community response we have received to date," said John Kearns, spokesperson for Friends of Armory Park.

According to Kearns, the project is in the process of fundraising and looking for one or more major donors and interested volunteers.

WEBSITE COMING SOON:

Information regarding the project will be available on the Armory Park website www.armorypark.org.

FOR INFORMATION: CALL JOHN KEARNS AT (414) 964-0339 OR EMAIL ARMORYPARK@SBCGLOBAL.NET

NORTH SHORE NEWCOMERS

Looking to make some new friends and meet neighbors? Consider joining North Shore Newcomers, a social group

of more than 120 local families. Our goals are to make friends, have fun, and support each other and our community. We organize a variety of activities, such as weekly children's playgroups, a monthly book club, and cocktail parties.

2007 Easter Egg Hunt

To learn more or to find a membership form, visit www.northshorenewcomers.com.

The Village of Whitefish Bay is looking for pictures of the community to include in the design of the new Village Website.

Pictures are needed showing: Commerce, Landmarks, Village Events and Activities as well as Parks and Recreation.

Images can be submitted by e-mailing an attachment to emilyh@wfbvillage.org or by burning images to a CD, which can be dropped off at Village Hall.

Call 962-6690 with questions

Deadline for image submission:
July 27

THE BAY

PLAYERS have chosen as their fall musical either CHICAGO or INTO THE WOODS, depending on availability of the rights to these shows.

CHICAGO: the award winning musical by John Kander and Fred Ebb, tells a tale of murder, greed, violence, conviction and redemption with wonderful music and dancing.

INTO THE WOODS: another award winning musical by Stephen Sondheim and James Lapine, blends familiar fairy tales with an original story of a childless baker and his wife who attempt to reverse a curse on their family in order to have a child.

Show dates:

CHICAGO/INTO THE WOODS

Sept. 28, 29 at 8 p.m.

Oct. 5, 6 at 8 p.m.

Matinees Sept. 29 and Oct. 6 at 2 p.m.

Explore items displayed in the theatre lobby at the Bay Players annual Silent Auction, held during the run of the musical. Donations are welcome.

Be part of the Bay Players by volunteering to help backstage, building sets, working with props, box office and ushering. Contact 414-299-9040 or www.thebayplayers.com
