WHITEFISH BAY FARMERS MARKET

2013 Whitefish Bay Farmers Market
Saturdays 8a.m. – noon,
August and September
Location: Berkeley Boulevard
at Silver Spring Drive

2013 Whitefish Bay Farmers Market

The open air market will run every Saturday during through September on Berkeley Boulevard right off Silver Spring Drive in the heart of our downtown shopping district in the Village of Whitefish Bay. Throughout the season, the market will feature fresh and organic produce, meats, eggs, honey, flowers, kid’s activities, and much more.

The Whitefish Bay Farmers Market is a traditional farmers market with a green, local and educational focus. In addition, the farmers market will include entertainment and educational activities for all ages, such as children’s story time by the Whitefish Bay Library. Select weekends will include demonstrations, live music, and programming or participation from UW-Extension master gardeners, the Shorewood/ Whitefish Bay Health Department, the North Shore Environmental Health Consortium, Healthy Communities Project, the Whitefish Bay Civic Foundation, the North Shore Fire Department, student musicians, girl scout troops, Patch, and more.

Dear Residents,

It’s back to school time. Where did this summer go? I hope all the kids out there enjoyed their time off. Good luck to a new year. I wish you all much success!

Back to school also means football season is upon us!! Even if you don’t follow the Packers or another team, I know everyone enjoys the excuse to get together with friends at Sunday football parties with good food and company (and maybe some yelling at the TV). Like many, I was raised a Packer fan, so Go Pack Go!!

On another note, did you know September 28th is good neighbors day? This is a day to recognize and appreciate your neighbors. Since I have been organizing the Bay Leaves, one thing has really stuck out to me - you all truly appreciate your neighbors and don’t need a specific day to celebrate them, it’s ongoing! Good neighbors are the core of what makes your Whitefish Bay community so great! Do you have a neighbor that you want to recognize? Let me know by emailing me at sblankenheim@bestversionmedia.com. I would love to hear from you!

Yours Truly,

Letter from the Village President

Congratulations and Best Wishes to Judy Cichy

After 24 years of service, Deputy Treasurer Judy Cichy retired from the Village of Whitefish Bay on August 30. During her years with the Village, Judy's responsibilities included; utility billing, tax preparation and collection, special assessment administration, customer service, election administration, and countless other duties that helped the Village run efficiently and effectively. Judy brought a wealth of knowledge to her position, and will be dearly missed.

Please join myself, the Village Board, and Village staff in congratulating Judy Cichy on her retirement!

Julie Siegel
Village President

Back To School Safety

- Fall means that children are going back to school, and traffic safety is very important.
- Slow down in school zones.
- Watch for children crossing streets, and for directions from crossing guards.
- Be extra vigilant on streets adjacent to schools, especially at the beginning and end of school days. Watch for children darting out from between parked cars.

Fall also brings leaves changing colors, and those big attractive leaf piles that children love to play in. Parents, please discourage your children from playing in leaf piles on the street. Vehicle drivers may not see them, and drive through the pile. Drivers, please be extra vigilant around leaf piles, and do not drive through them. Children may be playing in them and be covered by leaves.

North Shore Fire Department Car Seat Installation Program

Attention parents! The North Shore Fire Department installs car seats for North Shore residents on an appointment only basis. To schedule an appointment, please visit www.nsfire.org.

- Donations are accepted at the time of your appointment to keep the car seat program in operation.
- Please bring your car seat manual, vehicle manual, and child along with you, if possible.
- Limit one (1) car seat per appointment.
- Each appointment lasts 30 to 40 minutes to allow for: inspection of seat, installation, and required educational information.
- If you are expecting a baby, it is best to schedule your appointment for at least one (1) month prior to the anticipated due date.

Leaf Collection: When and Where

When will leaf pick-up begin?

DPW will begin picking up leaves around mid-October. Specific days are not scheduled for leaf pickup on individual streets. Leaf pick-up is a priority and Staff makes every effort to collect leaves on a weekly basis, but it is dependent on crew availability and the volume of leaves that need collecting.

Where do I place my leaves?

Leaves shall be placed near or in the curb of the street. Please place your leaves away from storm inlets as leaf decay can clog storm sewers and add unwanted nutrients to Lake Michigan.

Can I throw yard waste in the leaf pile?

We encourage property owners to throw yard waste in the leaf piles to preclude a separate yard waste pick-up. Yard waste is plant material such as flowers and garden material. **Branches, sticks and other woody material should not be placed with the leaves and should be left on the boulevard for chipping.** The woody material makes composting of the leaves more difficult.

What does the Village do with the leaves?

Most of the leaves are temporarily stored and composted at a DNR monitored site shared with the City of Glendale. In the spring, the somewhat composted piles are hauled away by a private sod grower and used as bedding material for sod beds.

When is the last day that leaves or yard waste will be picked up?

Village crews will begin their last leaf collection on Nov. 11. To ensure your leaves and yard waste will be picked up in the curb, leaves and yard waste must be raked to the curb by Nov. 11. Leaves raked to the curb after the crews have made their final pass on your street will not be collected and must be bagged or containerized. The DPW will run yard waste crews to pick-up bagged and containerized material until the first significant snow fall or until Nov. 29. Due to Thanksgiving, the trucks and crew used for leaves are used for garbage pick-up, and therefore, there will be no leaf & yard waste pick-up from Nov. 18 to Nov. 22.

Outdoor Burning Prohibited

Did you know that outdoor burning of leaves and yard waste is prohibited?

Village Ordinance 8.01 states that no person shall kindle any fire outside a building within the Village except for fires used for outdoor cooking which are confined to prevent the escape of burning material or those used in connection with construction projects. Please contact the Police Department with any questions.

Bike Safety Tips from the Police Department

Whitefish Bay is an excellent village for walking and bicycle riding. With school back in session it's a good time to have a bicycle safety discussion with your kids. Children, or adults for that matter, should

not operate a bicycle without wearing a helmet. In motor vehicle versus bicycle accidents, the bicycle rider always gets hurt worse than the motor vehicle operator. It's for this reason that bicycle riders should not wear 'ear buds' or headphones while riding their bicycles. Children are easily distracted and their full concentration should be on riding their bicycle. Also, for the young children that are riding

their bicycles on sidewalks, show them the proper ways to approach driveways and alley openings. Occasionally shrubs or fences can obstruct the field of vision for motor vehicle operators as they are exiting a driveway or an alley.

The laws of the road apply to adult bicyclists as well. Stop signs and stoplights apply to bicyclists as well as motor vehicle operators. Some motor vehicle operators have a hard enough time seeing lawfully riding bicyclists. Bicyclists appearing in places where a motor vehicle operator is not expecting to see one, can have possibly fatal consequences. Law enforcement realizes there are far more distracted motor vehicle operators than distracted bicyclists, and we do issue citations when appropriate to distracted motor vehicle operators, but in car versus bicycle accidents, the bicyclist is always injured the worst.

A good rule of thumb for pedestrians, bicyclists and motor vehicle operators is to have your head on a swivel. Always be looking around. Be aware of your surroundings, the route your taking and any possible obstacles, and you will increase your chances arriving safely.

Whitefish Bay Little League News

2013 was a great season at Craig Counsell Park. 500 kids played in the traditional 4 Divisions culminating in a fantastic Baseballfest on Championship Saturday. This year sportsmanship and enthusiasm was at an all-time high. We want to thank every coach that gave his or her time, every parent that took a shift in the snack shack, the volunteers at Baseballfest, the kids that gave their best umpiring the games and the field crew and snack shack team that made each day possible.

Three of our Board Members are finishing their three years terms. I'd

like to offer a special thanks to Dave Heller for being the webmaster of the best Little League website on the internet! Extreme gratitude to Martha Fleck for raising the spirit bar for board members to new heights. And, best wishes to Darren Miller for handling all of the challenges mother nature threw at our fields, while also leading our transition to chemical free turf care. The Board will miss the membership of these outstanding individuals, parents and friends.

Last but by no means least, congratulations to our District 1 Champion 12 year old All Stars and good luck to the 10's and 11's.

New Team Formed To Make Youth Baseball More Accessible

2013 also saw the birth of the Challenger Division created for players with physical and mental challenges. Your Whitefish Bay Bats went undefeated with a 0-0-8 record and tied the other 4 teams - Grafton, Menomonee Falls, Elmbrook, and Germantown - for first place. The Bats and their Buddies reminded every

spectator that the core value of youth sports is experiencing the joy of being on a team.

Donated Sports Gear To Benefit Kids In Asia, Africa, And South America

New this year, our Global donations will benefit aspiring baseball youth in Asia, South America and Africa. Thanks to all of you who donated four barrels of gently used bats, gloves, uniforms, balls and other sports equipment. To the less fortunate beneficiaries in developing nations, the gear looks as good as new. For more information on this organization headquartered in nearby Port Washington, visit their website at Globalgiving.org.

Registration for the 2014 Whitefish Bay Little League season begins in December.

Tickets now available for The Bay Players production of The Odd Couple (female version) by Neil Simon

The Bay Players 2013-2014 season begins with The Odd Couple (female version) by Neil Simon – September 20, 21, 27 and 28, 2013. Considered to be a hilarious contemporary comedic classic, The Odd Couple will have audiences howling with laughter. Olive Madison, like her original male counterpart Oscar, is divorced and living in cheerful chaos in her New York apartment. At Olive's invitation, the suicidal Florence Ungar (Felix), now separated from her husband, moves in and is soon finding comfort in cooking, cleaning and fussing until Olive is apoplectic. It becomes clear that the negative patterns of their disastrous marriages are re-occurring in their relationship.

The Bay Players are proud to offer discounts to U.S. military veterans, as well as discounts for senior citizens and student theatergoers. Group ticket pricing discounts are also available.

The theater facilities boasts newly renovated, spacious, seating in a traditional setting. In six decades, patrons of The Bay Players have enjoyed over 200 shows. Since its inception, the membership in The Bay Players numbers over 1000 strong. Bay Player members are entitled to free acting classes from Director Raymond Bradford, a respected theater professional for over 50 years whom also offers private acting lessons.

Come see The Odd Couple at The Bay Players, the community theater with the professional difference. The Bay Players theater is located at Whitefish Bay High School at 1200 E. Fairmount Avenue in Whitefish Bay, WI. For tickets, call (414) 299-9040. Visit us by clicking on www.thebayplayers.com or follow us (and like us!) on Facebook at www.facebook.com/TheBayPlayers

Fiction Book Club

Wednesday, September 4, 6:30pm
The Night Circus by Erin Morgenstern
The story follows the fierce competition of two magicians who have been trained since childhood for their duel at a circus called Le Cirque des Rêves. The Associated Press calls this novel "Magical. Enchanting. Spellbinding. Mesmerizing."

Nonfiction Book Club

Monday, September 9, 7:00pm
Personal Memoirs of Ulysses S. Grant by Ulysses S. Grant
Called "The best [memoirs] of any general's since Caesar" by Mark Twain, this story chronicles the fortunes that shaped the life and character of the 18th President, especially his campaigns and battles during the Civil War.

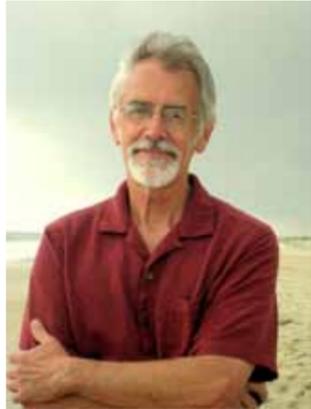

Whitefish Bay Public Library nonfiction book club meets the second Monday of every month.

What's Next? A Discussion About Changing Your Family/Work Balance

Monday, September 23, 6:30pm
Have you been an at-home parent and you are thinking about your next life steps now that the kids are growing up? Have you been thinking of starting a business, going back to school, or following that career dream you had when you were 22? Have you made changes in your family/work balance and are you willing to share the challenges and successes of those changes?
This discussion will offer participants opportunities to talk to people in full-time, part-time, flex-time, paid, or unpaid work and volunteer settings, as well as provide some considerations to take into account as the participants mull next life steps.

Wisconsin Poet Laureate 2013-2014 – Max Garland

Thursday, September 26, 6:30pm
Join us for an evening with the current Poet Laureate of Wisconsin. The Wisconsin Poet Laureate Commission, who selected Garland as Laureate, praised his poetry for its richness of language, human understanding and accessibility to broad audiences. His poetry collections include *The Postal Confessions* and *Hunger Wide as Heaven*.

Massage Envy SPA

It's Time to Relax!

Stressed out after a busy summer? Lucky for Whitefish Bay residents, Massage Envy Spa is located right in your backyard at 109 E. Silver Spring Dr. We all know stress takes a major toll on your body and mind. But did you also know that having a massage regularly can increase your circulation, improve your flexibility, and strengthen your immune system? Not only does Massage Envy Spa offer a variety of therapeutic massages to help ease your stress, but you can also enjoy Murad facials for healthy, youthful-looking skin, and sugar foot scrubs for those neglected feet!

Tina Beckett is the owner and manager at Massage Envy Spa in Whitefish Bay. Opening the spa has been one of Tina's biggest challenges in life, but that didn't stop her from creating a business where every employee feels empowered. Servant leadership is Tina's philosophy, and she has brought that to life with her staff. Tina feels, "One of the reasons that I have been blessed with this opportunity is so that I can provide a workplace where people are valued and given a chance to be creative and develop to their fullest potential." Tina has a wonderful team of front desk associates,

therapists, and estheticians. They all offer some of the best expertise and skills in the wellness industry, as well as other great talents that Tina incorporates in her marketing and customer service initiatives. "We all take great pride in our spa and are a team in making it the best ever."

So where did Tina adopt her business beliefs from? Her father. He started a number of successful companies and provided opportunities for many people. Tina shares proudly, "He has a big heart and gives work to many who otherwise do not have a job." Tina's parent live in North Carolina, so she misses them tremendously as she is busy following in her father's footsteps here in Wisconsin.

Everyone loves a good massage, so check out Massage Envy on Silver Spring and learn about their wellness program. Meet Tina and her wonderful staff while supporting her business. You will definitely leave feeling better that you have taken a positive step in your wellness plan!

The Pandls Keeping a Whitefish Bay Tradition Alive

Many know John and Laura Pandl and their three children Ryan (23), Jacob (18), and Amanda (16) from Jack Pandl's Whitefish Bay Inn. The restaurant is unique in that it is one of the area's oldest restaurants, and is only two years away from its 100th year anniversary at the same location and under the same ownership of the same family. Not many restaurant owners can say that! Just reading this gives a great history lesson on the Whitefish Bay area! "The restaurant has a history rich in tradition and is American as apple pie." When John and Anna Pandl bought the Whitefish Bay Inn in 1915, it was farmland rather than beautiful homes which occupied the surrounding area. Across the street was the old Pabst Whitefish Bay resort, a fairground of beer gardens, picnic tables, a bandstand, dancing pavilions, ferris wheel, and other attractions. People came via the "Bloomer Girl," Chequamegon," or "Eagle," steamships which embarked from the bridge at Grand Avenue (now Wisconsin Avenue) in Milwaukee and brought picnickers to dock at a large pier at the foot of what is now Lexington Blvd. Piling remnants of this pier are still visible, but most have long since disappeared. Others came on

the "Dummy Line," a railroad with special cars for passengers that got off at the old Welcome Park nearby. The advent of the "horseless carriage" and prohibition closed the rural era in Whitefish Bay's history, and in the following years, the village grew to be one of the area's finest suburbs. In 1932 John Pandl died, but the business remained in the hands of his wife Anna, who worked tirelessly to run the restaurant and at the same time rear her family of three daughters and two sons. As the family grew up, Jack Pandl, the youngest son, joined his mother in operating the restaurant and subsequently purchased it. Into her 70's, Mrs. Pandl still vigorously put in a day at the restaurant, making fine soups and desserts and supervising many other preparations; her cooking skills were imparted fondly to her family and co-workers. Anna Pandl died in May of 1967, but the family tradition survives. Jack Pandl's family is now involved in the business. Today the restaurant is a designated Milwaukee County Landmark, one of the few old buildings remaining in the area reminiscent of the unhurried past. The building is basically unchanged from the way it appeared in 1915. Inside, one of

the Midwest's largest and finest collections of beer steins is on display. Soft Tiffany type lamps, oak tables, and flowers add to the cozy charm of the dining rooms.

John Pandl was destined to own the restaurant, growing up with the business, working as a child and young man, never even entertaining anything else as a career choice. John shares "My father's never-ending involvement in the family business inspired me to do the same. I enjoy the hard work and challenge involved in operating a business which shows a long history in the village of Whitefish Bay." John is a proud Whitefish Bay resident and business owner. "I feel very fortunate to live in a community that has so many long-time residents, and that our family is a family that has lived in Whitefish Bay throughout the years. I like being involved in the community and enjoy doing the special events such as the Pumpkins and 4th of July and just getting out in a different environment." John attended UW-Stout for Hotel and Restaurant Management.

Likewise, Laura worked at Jack Pandl's Whitefish Bay Inn since she was 16. She shares, "A few things always impressed me even before John and I dated:

how homes grew around this business after the Whitefish Bay resort closed; how my father-in-law, Jack Pandl, shared his stein collection (very rarely done) and his pictures of the history of Whitefish Bay with our customers - people love looking at them when they come in and learning about the history of Whitefish Bay - something which I think makes us unique. But most important, how there is a feeling of family at work, maybe because it's a small business, there are so many of us that have been together for years, something that is rare in the restaurant business. We also have several kids whose parents worked with us while they were in high school/college." Laura attended Marquette University and majored in nursing. She has worked at Froedtert Hospital and the Visiting Nurse Association, but currently works at National Government Services.

In addition to the restaurant and work, John and Laura volunteer for the food pantry at their church, Holy Family. Laura is a Eucharistic Minister, teaches in the high school youth ministry, and is on the Parish council. Sports is another passion they both share; both help with the Blue Dukes high school football team, and follow the Whitefish

Bay High School teams, Whitefish Bay Berserkers Rugby, and of course, the Green Bay Packers and Marquette basketball. John has also enjoyed playing frisbee golf since his college years. Plus, he can ride a unicycle! He now usually rides it at the block parties to show the neighborhood kids.

Of course, the kids have kept John and Laura busy throughout the years! Ryan graduated from Whitefish Bay High School and then St. Norbert College where he played football at both. He is currently getting ready for his first year of law school at Marquette. Ryan enjoys playing frisbee golf and rugby in his spare time.

Jacob just graduated from Whitefish Bay High School and played on the football and rugby teams. Other activities he was involved in were the Key Club, National Honor Society, helping out at church in the Edge program for middle school kids, and serving at church. Jacob is preparing for UW-Madison to study engineering.

Amanda is a junior at Whitefish Bay High School and is involved in Best Buddies, Student Council, and the Principal's Advisory Committee. She plays basketball and soccer, as well as helps out at church with the Edge program and serving.

And, of course, there is Reggie, the Pandl's lovable dog. His absolute favorite thing to do is sit out in the front yard when school gets out to greet all the kids going by.

The Pandl family has many great family memories, especially from trips they have taken. All three kids were in Taekwondo when they were young, so they traveled frequently for the ATA tournaments all around the

States. Their last vacation was over spring break to Jamaica with another family. They had a group of 14 and had a great time climbing Dunn's River Falls, jumping off the cliff at Rick's Cafe, and hanging out at what seemed to be their own private pool.

The Pandl's live on Woodburn St. They moved there in September 1986, three months after John and Laura were married. The house has always been perfect for them - perfect location, close to the restaurant, schools, and church, and it has always had a wonderful neighborhood feel. All the neighbors look out for each other and are ready to help at the drop of a hat. Also, the kids all played together growing up, and the Pandl's block had five high school graduates this year, four of whom attended school together since grade school at Cumberland and graduated from WFB; the other graduated from DSHA.

As the 100th year anniversary approaches for Jack Pandl's Whitefish Bay Inn, the Pandls are especially thankful to live in such a quaint neighborhood patronized with regulars, who have helped them make it this far. They look forward to celebrating many more years to come with the residents of Whitefish Bay!

Thank you to the Pandl family for sharing a little piece of their life and home here in Whitefish Bay. Like the Pandl family, we would love to feature your family in an upcoming edition. Or if you would like to nominate a family please email sblankenheim@bestversionmedia.com

Ed felt an amazing change after optimization...

"After optimization, I experienced a surge in motivation, renewed focus, higher energy, and perspective in what I do and how I do it. I have a positive, confident attitude, quickly overcome negative thoughts and focus on success."

Many who experience Brainwave Optimization® find they get "unstuck" and ideas begin to flow. When we balance and harmonize our brains, we discharge static – the tension that causes lack of clarity and robs us of confidence. As the static drops away, brain energy flows freely and we become clear, intentional and inspired.
