Dear Residents,

I hope everyone is enjoying the start of summer. That last school bell will ring very shortly and we will begin to see all the kids enjoying the sunshine and their freedom. It brings me back to that exciting time that felt like it would never come, but when it finally did, all I had to worry about was practicing my back flip off the diving board. If only we could all have summer break!

Even though we can't, it's a great time of year in Milwaukee to enjoy Brewers games, festivals, the zoo, and all the wonderful parks. Speaking of parks, June 18th is National Picnic Day, so pack up that picnic basket and call some family and friends and take pleasure in a day at the park!

On another note, this month you meet the kind-hearted McCabe family. They are heavily involved in the community, which means it's a great time to reflect on what we all do for our community. There are so many benefits to supporting your community and many different ways to do it. For those of you who find time in your busy schedule to be involved, I want to take this time to thank you for all you do!

Yours Truly,  
 Sarah Blankenheim

## Do I Need a Building Permit?

Are you planning on making some home improvements this summer? Please be mindful that most projects require a Building Permit. Below you will find a list of typical projects that require a permit. This information is not all-inclusive. If you have any questions regarding your project, or your project is not listed here, please contact the Inspection Department before you start the project.

The following require a building permit:

- Additions – ARC, S
- Exterior Remodels – ARC
- Remodels (kitchen, bathroom, attic, basement)
- Fireplace
- Foundation Repairs
- Fence – S
- Decks/porches/stoops – ARC, S
- New garage – ARC, S
- Demolition of Structures
- Roofing
- Siding
- Gutters/downspouts
- Accessory Structures – ARC, S
- Window Replacements
- Swimming Pools – ARC, S
- Any Structural Work
- New or relocated cabinets, and all walls opened to the studs

Those items listed with an ARC may require approval from the Architectural Review Commission and those items listed with an S may require a survey.

### Electrical permits:

- New or relocated lighting fixtures, switches and/or outlets
- New or replacement furnace, boiler or A/C units
- Upgrade electrical service
- Appliances (dishwashers, disposals, etc)
- Electric water heaters
- Hot tubs, whirlpool tubs, swimming pools
- Baseboard heaters

**Plumbing permits** can only be issued to licensed plumbers to do the following work:

- New or replacement sink, toilet, dishwasher, garbage disposal, laundry tray, tub, shower, whirlpool tub, sump pump, water heater, water treatment systems, laterals, sprinkler systems, on demand water supplies
- Re-piping
- Extensions of supply or waste lines

Homeowners may now obtain permits to complete the following items for properties they own and occupy:

- Replacements of sinks, tub, toilets, faucets, laundry tray, traps, and the component parts of each in the same location as they exist now.

### HVAC permits are required for the following work:

- New or replacement furnace, boiler, fireplace, air conditioner, vent fans, air exchange units, combined heat and air units, ductwork alterations
- Fireplaces and Fireplace inserts
- Swimming pools

**Right of way permits** are required for driveway approaches, carriage walks, lateral repairs, and any other disturbance in the right of way.

**Dumpster permits** are required for the placement of dumpsters on Village property including on the street, if necessary.

It is the responsibility of the property owner or his/her delegated agent to procure the proper permit(s) for a specific project. If you have any questions, please contact the Inspection Department at (414) 962-6690.

ARE YOU HAVING THIS MUCH FUN  
IN YOUR BACKYARD?

## WHITEFISH BAY POLICE DEPARTMENT

### Fireworks Prohibited

Get out and enjoy the summer and the 4th of July, but be aware that both WFB Ordinance (8.01(3)) and Wisconsin Statute (167.10) prohibit the possession and/or use of fireworks. In addition to being prohibited in the Village, they are also very dangerous for consumer use. Also, children need to be taught that fireworks, like matches and lighters, are dangerous and should only be handled by trained professionals. For more information on Fireworks Safety, please visit [www.nfpa.org/fireworks](http://www.nfpa.org/fireworks), or visit the North Shore Fire Department website, [www.nsfire.org](http://www.nsfire.org).

### Unattended Blankets at Klode Park on July 4th Prohibited

In an effort to keep Klode Park clear for park activities, unattended items (blankets, tarps, chairs, etc.) east of Shore Dr. are prohibited prior to 4 pm on July 4. Attended items will be permitted during regular park hours. Unattended items will be removed by the DPW.

### Overnight Parking Regulations

Village ordinance prohibits overnight parking at any time between 3 and 5 am without permission or by permit. To make overnight parking requests, residents and their guests may call (414) 431-9060 or visit the Village website at [www.wfbvillage.org](http://www.wfbvillage.org). Parking is restricted to the portion of the street abutting property that is owned, rented or otherwise occupied by the requestor. Permission will be granted for a maximum annual allowance of 15 nights per vehicle. Requests for overnight parking permission must be made prior to 3 am of the current day. As a reminder, all vehicles parked on the street must be moved at least once every 24 hours, regardless of any permission granted or parking permit held.

Residents may purchase monthly overnight permits for parking in front of their homes for a cost of \$30 per month between April 1 and Nov. 30. Parking permits may be purchased at the Police Department between the hours of 8 am and 9 pm.

### A Message from The Police Department

We work hard for our possessions and we should be able to use them as we decide. That's why it's important to keep track of your possessions. One of your most important possessions is your identity! You pay your bills on time and you're good with your credit; these are the main ways you can maintain good credit and have a good credit score. Don't negate your good efforts by being lax with your personal information. Identity thieves want your identifiers, particularly your date of birth or your social security numbers. With this information, and your name, identity thieves can obtain credit. We have had reports of individuals going through residents' trash looking at paper in the garbage.

Don't become ensnared by an identity thief. Shred any paperwork that you intend to discard that has any personal identifiers. With just a bit of information, the thieves can apply for a credit card in your name and obtain goods and leave you with the mess of trying to clear your name and to restore your good credit. Online vigilance is equally important. Do not give out personal information to soliciting emails sent to you. Most legitimate businesses do not solicit you and ask for your date of birth or social security number. If you have concerns, do not respond to their email requests.

Lastly, with the nicer weather please take your possessions in at night and place them inside behind locked doors. We live in a very safe village but our possessions are attractive to some people that may be passing through. Also, lock your vehicle up and don't leave your possessions in plain view for thieves to pilfer. If you see people that you don't know looking into vehicles, or prowling about your property or your neighbor's property, call 911 right away and provide a detailed description of the suspect and the suspect vehicle.

### When we work together, good things happen.

- Marketing that works
- Strong negotiating
- A pleasant experience

# The McCabes

## A Family that Gives Back

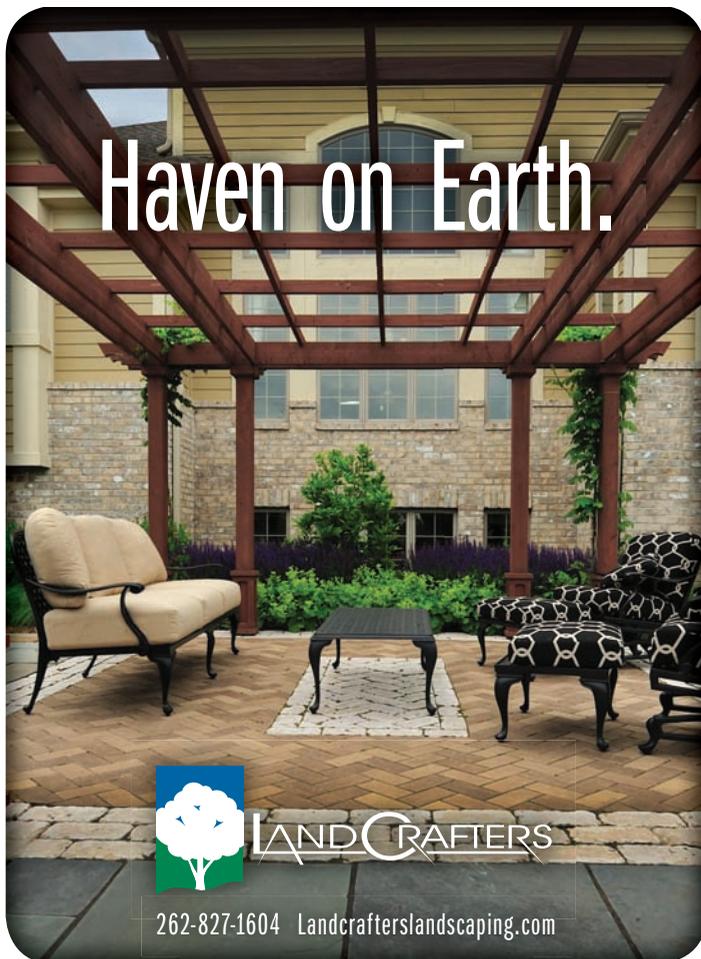

A great example of a family that gives back to their community is the McCabe family. There are five members of the McCabe family - Andrew and Amy, their two-year-old twins, daughter Karstin and son Anderson, and dog ROTC (rot-see).

Andrew grew up locally in Cedarburg and Amy is from Naperville, IL. While attending Arizona State University, Andrew and Amy's life together began. Andrew received his degree in Human Communications. Amy studied Elementary Education, but also kept active playing on the ASU volleyball team. Currently, Amy sells medical devices used in respiratory and anesthesia for Teleflex Medical, and Andrew owns an Allstate Insurance Agency in Shorewood. He started his business in 2004, opened his agency in Shorewood in 2005, and employs four full-time and one part-time staff members. Andrew is a passionate business man who has built his business

around community involvement, along with service, value, and trust. "Insurance is a product centered around trust and peace of mind. Without these, insurance wouldn't exist. We strive every day to offer the products and services of not only Allstate but also our agency to help people protect what matters most to them at a competitive price." This is all apparent from the many awards Andrew has received such as the Agency Achievement Award, Allstate Leader's Forum, Allstate Financial Leader Award, and the National Conference Award, to name a few.

Andrew and Amy spend much of their time giving back to their community by

Haven on Earth.

volunteering and supporting many local non-profit organizations and charities. Andrew is a board member of the Shorewood Business Improvement District and a Junior Achievement Instructor. In addition, both Andrew and Amy volunteer and support Brew City Bully Club, Columbia St. Mary's Foundation, Wisconsin Humane Society's Guardian Animal Network, Allstate Annual Giving Campaign, Boys & Girls Clubs of America, and Allstate Agency Hands in the Community.

When he is not volunteering, Andrew enjoys being active on the golf course and racquetball court. Amy loves running - she has completed over 30 half marathons and four full marathons! When football season arrives, you can only imagine the rivalry at the McCabe household with Amy cheering her home team the Chicago Bears, and Andrew standing strong representing his Green Bay Packers. Who do their twins cheer for you may ask? Well, Karstin and Anderson have been groomed by Amy to cheer for the Bears; however, they do strongly favor the Brewers over the Cubs and White Sox. They especially love the racing sausages and Bernie Brewer!

Karstin and Anderson are your typical two-year-olds, who keep their

parents busy and enjoy spending time at all of the local parks. Their absolute favorite is Klode Park because they love to chase each other around in all of the open space the park has to offer. They also like being able to run up and down the path by the beach, as well as put their feet in the water when it's warm outside, not to mention all the "yummy pit stops" available on the way home such as Sweet Frog, City Market, and Dunkin Donuts. Karstin and Anderson will also be the first to volunteer to help get donuts and coffee on the weekends from City Market and Regina's.

Another important member of the McCabe family is ROTC, their nine-year-old lab/shepherd/greyhound mix. Andrew and Amy adopted her from the Wisconsin Humane Society. ROTC's name is definitely a one-of-a-kind. She was named to support Amy's brother who is an F-18 pilot for the Marines and was also in the ROTC Marines program at the University of Illinois.

The McCabe family is on their second home in Whitefish Bay, which goes to show how much they love the community. "We love that we are close to downtown Milwaukee, but still have a 'local small town' feel and are able to walk to so many parks, beaches, shops, and restaurants." Their first home was just off of Cumberland and Oakland. They will always have a special place in their

hearts for their first Whitefish Bay home; however, the move was prompted by needing more space

and an extra bedroom for their twins. The twins were born one month after moving to their current home on N. Shoreland, so the timing was perfect! "We also love having our neighborhood filled with families and children. It's great to be able to see so many families being close friends with their neighbors."

The McCabe family is very involved with their neighbors. They enjoy all the fun they have at several annual events, such as a summer block party, a 4th of July party, a holiday couples party, and a holiday women's ornament exchange/men's gathering. Of course, there are always impromptu parties and get-togethers that surface throughout the year, which are always a blast for the McCabes too! What is especially interesting is that two other Whitefish Bay families that the McCabes are close with also have boy/girl twins! "All the twins are under the age of two and everyone is looking forward to all the good times, friendships, memories, and chaos the future has in store!"

Even with the chaos of having two-year-old twins, the McCabes will always find time to help out and support their community. Thank you McCabe family!

## Youth Services Department

### Summer Reading Club:

**Registration begins June 10!**

Ages birth through grade 12. Complete the reading challenge to earn coupons, free book, and prizes. Registration is now available for all of the following summer programs:

*Pajama Storytime (ages 1-5)*  
Monday, June 10, 17, 24, and July 8, 15  
from 6:30-7pm

"Dig into Reading" with stories, rhymes, and dancing.

*Terrific Tuesdays (all ages) - 7-8pm*

- June 18: The Chickadees, musical performance
- June 25: Nick Weirsum: What is a Dinosaur? from the Kenosha Dinosaur Discovery Museum
- July 9: The Magic of Rick Allen
- July 16: Kathy Luck, storytelling

*Underground Kids Club (grades 3-5) -*  
Wednesdays, June 19, 26, and July 10,  
17 from 4-4:45pm Enjoy crafts and fun  
projects to explore.

*Burrow into the Cool Movies (all ages) -*  
Thursdays, June 20, 27, and July 11, 18  
from 1-3pm  
What Lies Beneath the Surface?

*Teen Programs (grades 6-12) -* Thurs-  
days, June 27 and July 11 from 4-5pm  
and Thursdays, June 20 and July 18  
from 6-8pm.

*Teen Volunteers (entering 7th-12 grade):*  
Pick up your applications now for  
summer volunteer hours.

## Adult Services

*Author Visit: Ridley Pearson*  
June 6, 7:00pm Pearson will discuss  
his new book, "Choke Point," and sign  
copies.

### Exam Cram

June 7, 10, and 11, 9:30am-5pm  
High school students- Come to the  
library during exam week and use our  
program room. Some snacks will be  
provided.

*Summer Movie: Hyde Park on Hudson*  
June 8, 2:00pm

*Greater Milwaukee Rose Society*  
June 19, 3:00pm  
Maggie & Bruce Barr discuss spraying  
roses and organic gardening.

June 10-July 19

The adult summer reading program is  
open to anyone aged 16 and up.  
Win prizes! To register, stop at the  
adult reference desk beginning Friday,  
June 7.

## WHITEFISH BAY RUNNING ETIQUETTE

By: Tom Brown, Resident

I have lived in WFB since 1973 and have been running in the Bay since July 4, 1976. I have run thousands of miles throughout WFB during those 40 years. I have learned a lot about safety and running and wish to share this knowledge with my fellow residents because there seems to be some confusion about where we are allowed to run.

When I began running, I went out at night after our children went to bed. It was dark, so I decided to wear a reflective vest. Reflective material on both the front and back is legally required whenever running in the dark. In my early months, I ran on the sidewalks, which I quickly learned was risky due to the uneven concrete slabs and toys frequently left on the sidewalks. It was also dangerous crossing at corners because when drivers slowed for a Stop and Yield

sign, they did not expect to have a runner cross the sidewalk. After a few months, I switched to running in the streets on the left hand side where I was facing the traffic. This venue was

much safer because there were no toys or bikes in the way, and I had a better view of the oncoming and intersecting traffic. Drivers also can see the runner better if he/she is in the street instead of on the sidewalk. Runners certainly

are allowed to run on the sidewalks, but the roadway tends to be safer if you run against the oncoming traffic. Also, do not run in the middle of the road. Stay close to the edge, except when passing parked vehicles or obstacles. Running in the street in WFB and in most communities is legal and encouraged.

A runner must obey traffic signs/signals. Stop at stop signs, and ensure oncoming traffic yields to you before proceeding across an intersecting road.

There are two roads in WFB which are dangerous for running: Lake Drive and Silver Spring Drive. The speed and high traffic/parking volume on these two roads make it unsafe to run on them. If your course takes you along these roads, I encourage you to use neighboring sidewalks.

Running is a great exercise, but requires constant awareness and caution by the runner.

**4th of July in Whitefish Bay**

Before you know it, we will be celebrating the country's birthday with a parade, food, entertainment and fabulous fireworks! The 4th of July celebration is a favorite family day and one of the most widely attended events in WFB. The parade starts at 11:30am on Thursday, July 4th at Silver Spring and Kent proceeding

east to Klode Park, followed by an afternoon of food, kid's activities and entertainment. The entertainment includes 5 Card Studs, Southbound, and Love Monkeys. The fireworks display is presented by Sendik's and starts at 9:30pm.

To participate in the parade, contact Anoop Singh at

[July4th@wfbcivicfoundation.org](mailto:July4th@wfbcivicfoundation.org).

We need you! Can you spare an hour to help at the 4th of July? We need scores of volunteers to help with the kids' activities. Please contact Suzanne LaFleur at [Volunteer@wfbcivicfoundation.org](mailto:Volunteer@wfbcivicfoundation.org).

Want the full schedule? Visit our website at [wfbcivicfoundation.org](http://wfbcivicfoundation.org)

**Summer Ice Cream Socials**

Please join the Whitefish Bay Civic Foundation as we celebrate our 40th birthday with free ice cream cones, sundaes, and root beer floats. The Ice Cream Social dates are Wednesday, June 19th and Wednesday, August 7th from 6:30 to 8:00 PM. The event is held across the street from the library in School House Park. The Whitefish Bay Community Band will be there to entertain us. We hope to see you for this free, family event!

## WHITEFISH BAY RECREATION DEPARTMENT

### The Whitefish Bay School District's Before and After School Care Program is Currently Enrolling!

Enrollment and information packets can be found at Richards and Cumberland Elementary Schools, Lydell Community Center and on-line at [www.wfb-schools.com](http://www.wfb-schools.com). All families who register by June 30th will have their registration fee waived!

### Flag Football League Registration Has Begun

Calling all players in grades 1-6th, flag football league registration has begun. Check our Summer WFB Recreation Guide for information and registration form. New this year, each player will receive a team t-shirt. Don't forget to put your child's t-shirt size on the registration form. Volunteer parents will coach. Each week players will have a half-hour practice session followed by a league game.

Registration deadline is August 16th and the season starts September 7th.

### Whitefish Bay High School Pool Summer Open Swim Schedule

*When:*

Sunday thru Saturday

June 15- Aug 18 (exclude July 4) 1:00pm-3:45pm

Tuesday, Thursday and Friday evenings

June 18-Aug 16 (exclude July 4) 7:00pm-8:45pm

Entrance Fees:

Students/Children (ages 4 thru 18 years) \$2.50

## NORTH SHORE JUNIOR WOMEN'S CLUB

The North Shore Junior Women's Club "NSJWC" proudly announces its selection of Camp Hometown Heroes as the beneficiary of their bi-annual fundraiser scheduled for Spring 2014.

Camp Hometown Heroes provides a week-long summer camp experience for children between the ages of 7 and 15 who have lost a loved one that served in the U.S. Military at no cost. Camp Hometown Heroes takes place one week each summer at the YMCA Camp Matawa in Campbellsport, Wisconsin. In addition to the summer camp experience, the program is staffed with trained grief counselors from Kyle's Korner that can promote healing for the participating kids in the supportive,

peer camp environment.

NSJWC's partnership with Camp Hometown Heroes will begin with treat bags for the campers and hosting a s'mores night during the inaugural 2013 camp week.

NSJWC is excited to partner with Camp Hometown Heroes and for the opportunity to raise funds that will assist them in expanding their mission to help children heal from their loss.

For more information on North Shore Junior Women's Club and announcements concerning the fundraiser please visit [www.nsjwc.org](http://www.nsjwc.org).

For information on Camp Hometown Heroes please visit [www.HometownHeroes.org](http://www.HometownHeroes.org).

## WHITEFISH BAY COMMUNITY GARDEN

THE WHITEFISH BAY COMMUNITY GARDEN - located on Marlborough Dr. on the west side of the High School - is currently surging with delectable smells, tastes, sights, and life, all of which are just waiting to be experienced by YOU. This summer we have been cultivating a new model and reinvigorated vision for growing everything from whole, natural food to conscientious citizens interested in greening the world in a beautiful, healthful, and responsible way starting right here in the Bay!

WITHIN THE SCHOOL the Community Garden uses it's living classroom to apply food and agricultural education to the core-disciplines, helping to accelerate and expand them in a way that is inclusive to ALL students. The Community Garden provides students leadership opportunities in the school and the surrounding community, thus encouraging their active participation in and appreciation for communal efforts.

WITHIN THE COMMUNITY the garden provides the tools, setting, information, and inspiration by which community members can educate one another about the dynamic relationships exerted within and outwards from our food and agriculture-related choices and actions.

WANT TO GET INVOLVED? Stop by any time to check out how we're growing. AND if you are interested in getting your hands in the earth of your garden, we will be there - EVERY Wednesday from 2 to 8pm and EVERY Saturday from 9 until it's too darn hot to work - leading different garden activities alongside informational lessons and discussion. Anyone and Everyone is invited!

For more information visit our Facebook page: The Whitefish Bay Community Garden or send us an email at: [WFBFarmers@gmail.com](mailto:WFBFarmers@gmail.com)

## WHITEFISH BAY HISTORIC PRESERVATION COMMISSION

### "Preserving our Past" wins Journalism Award

The "Preserving our Past" feature on Whitefish-BayNOW.com, a project of the Whitefish Bay Historic Preservation Commission, won 3rd Place in the Continuing Web Coverage category in the Wisconsin Newspaper Association's Better Newspapers Contest, which recognizes top journalism in the state.

The feature was developed and is written and maintained by WFB Historic Preservation Commissioner Thomas Fehring, and is regularly among the most popular features on the WhitefishBayNOW website. The feature highlights the many historic properties in the Bay, supports the preservation efforts of their owners, and brings positive publicity to the village. More than 70 properties have been profiled to date.

You can see the "Preserving our Past" website by going to the WhitefishBayNOW.com home page. "Preserving our Past" is published in cooperation and with the technical assistance of Matt Newman, Director of Interactive Content and Design for WhitefishBayNOW.com.

Scan our QR code to view the interactive map on your mobile device!

### FREE MONTHLY PHOTO CONTEST!

The Great Frame Up of Whitefish Bay hosts a free, fun and casual Monthly Photo Contest on Facebook. Every month we post a variety of photo entries and our Facebook fans vote for their favorite simply by "Liking" the photo. At the end of the month the photo with the most votes wins. We then print and custom frame the image for our winner! Visit [www.tgfuwfb.com](http://www.tgfuwfb.com) for more details and find us on Facebook to join the fun!

## ANNOUNCING LADIES NIGHT OUT IN WHITEFISH BAY

Thursday, June 20, 2013, the Whitefish Bay Business Improvement District presents Ladies Night Out on Silver Spring Drive in Whitefish Bay on Thursday, June 20th from 5 to 8 pm. An evening of specialty treats and shopping, Ladies Night Out contributes towards supporting U.S. troops serving overseas as over 20 establishments provide unique offerings, complimentary samplings, prize drawings, and great in-store promotions only available on Silver Spring Drive in Whitefish Bay.

Guests may have a passport stamped at participating establishments for the opportunity to win a grand prize from the shops of Silver Spring Drive in Whitefish Bay! The tree crafting workshop will return to the street, outside of Winkie's, with all the needed supplies for visitors to decorate a tree for delivery to U.S. troops serv-

ing overseas during the holidays as Trees From Home kicks off its 2013 season on this special summer evening.

"We are very excited to bring back this popular event for another night out of specialty shopping that supports such a good cause," said John Stuhlmacher of the business district. "Ladies attending the event last year enjoyed the evening immensely and made impressive contributions towards helping Trees From Home in their efforts to support U. S. troops."

Sample exquisite sweets and delectable drinks strolling Silver Spring Drive in Whitefish Bay for a lovely night of specialty shopping during Ladies Night Out! For additional details about the event, visit [http://shopwhitefishbay.com/ladies-night-out\\_1.html](http://shopwhitefishbay.com/ladies-night-out_1.html).

### About Trees from Home:

Since 2009, Trees From Home, Inc. has sent thousands of 12 inch hand-decorated Christmas trees to U.S. troops who cannot be home over the holidays. Julie Stuhlmacher, President of Trees from Home, is excited for the evening. "Ladies Night Out is a wonderful way to commence our tree drive as we work to send trees to U.S. troops serving overseas during the holidays this year." Learn more about how Trees From Home supports soldiers overseas at [www.treesfromhome.org](http://www.treesfromhome.org) and tour Silver Spring Drive on Ladies Night Out to craft a tree and contribute their cause.

### About the Whitefish Bay Business Improvement District:

The Whitefish Bay Business Improvement District is the vibrant shopping district in Whitefish Bay, Wisconsin centering on Silver Spring Drive. Businesses include an independent theater, gourmet grocery, distinctive retail establishments, assorted dining, and award-winning bakeries, salons, specialty shops, and variety stores.

Contact 585-943-5416

# Bee a Part of the Honeybee Solution

Pollinators are a vital part of the environment and critical to the nation's food production. In fact, one in every three bites of food is reliant on bees and other species for pollination. However, bees and other beneficial pollinators are disappearing at distressing rates. While we don't know the exact cause of the decline, we know there are simple things we can each do to help control pollinator loss.

Here are a few ideas:

1. Choose native, pollinator-friendly plants for your garden to provide forage for bees.
2. When possible, eliminate bee-toxic chemicals in your home, yard and garden such as garden insecticides with a chemical called neonicotinoids.
3. Put a beehive in your backyard or join Mequon Nature Preserve's bee club.

To learn more about bees, beekeeping, and how to protect bees, attend The Wonderful World of Bees, a program that will be held on June 5 at 4:30 p.m. at Mequon Nature Preserve. After hearing the presentation, walk outdoors to discuss bee habitat and learn which flowers attract honeybees.

To join the conversation about native bees or to learn about honeybee colony collapse disorder, visit the Environmental Protection Agency's website at [www.epa.gov/pesticides/about/intheworks/honeybee.htm](http://www.epa.gov/pesticides/about/intheworks/honeybee.htm).
