## SECRET SAUCE

Getting your home sold is like making a good sauce.

Not only must you have the right ingredients, they have to be blended in perfect harmony. A little of this or too much of that can spoil the sauce. But when it's done right, you can taste the magic.

The recipe for selling your home is the same: pick the best ingredients; use an expert that can blend them together in perfect proportion, and your home will sell. It works every time.

Let's talk about the recipe for selling your home and how my secret sauce can create magic for you.

Dear Residents,

Happy Independence Day! How lucky are we to live in this free country? A special thank you to all the veterans and current service men and women.

The WFB Farmers Market starts July 12th. Be sure to stop by downtown WFB between 8 am and noon to support the local businesses each week and enjoy some family fun!

Did you know that about two thirds of the WFB housing is considered historically contributing property? Thanks to the Historic Preservation Commission, you can find more about this information on page 9 entitled *How to Preserve the History of your Home*. It is well worth the read - historically and financially!

# Ahoy! The Kuzba Family

**THE** tranquility of the water, feeling the Wisconsin sunshine and spending time together as a family are only a few of the reasons why you will find Kathy, Tony and Kiley (4 years) Kuzba out on their boat each weekend. They enjoy local boating and especially love cruising to all the restaurants on the Milwaukee River. You can also find them boating in Eagle River on the Chain of Lakes.

Kathy has always had a love for boats and being on the water. Her parents owned a home on a lake in northern Wisconsin, spending many summers on the water as she grew up. Kathy shares, "Our passion for the water runs so deep that Tony and I had our wedding reception on a multi-storied yacht cruising on Lake Michigan. It was a dream of mine and it was so unique and special as our guests danced the night away while floating on the water." Kathy and Tony look forward to the weekends so they can spend time as a family on their boat. "I hope Kiley grows up having the same fond appreciation for boating and great childhood memories of boating like I did" says Kathy.

With Kathy's background in Sales and Marketing, and her love for the water, being a Membership Director at Milwaukee Yacht Club (MYC) is

a fantastic job for her. Her role is to recruit new members to the Club and retain existing members. Kathy looks forward to her Thursday nights where she entertains perspective members on a large yacht cruise and then a dinner at the outside tiki bar afterwards.

MYC is so much more than a seasonal club. They have yearly events such as a New Year's Eve party with a private fireworks display, a fashion show brunch, a wine tasting school, Las Vegas comedy shows, a winter wonderland party, a "bring your dog" dinner and brunches for all holidays.

For the past few years, MYC has hosted the Yacht Blast for Kids. It is one of the biggest fundraisers for the Make a Wish Foundation in Wisconsin. The members host over 30 kids and their families, as well as provide each family an afternoon

on their yachts. It is a magical day and everything they could to grant her niece's wish.

the excitement each family feels from the experience is truly contagious. The Make a Wish Foundation holds a very personal place in Kathy's heart, as she had a niece that suffered from a brain tumor last year and the Foundation did everything they could to grant her niece's wish. MYC has a few things that make it special and unique from other clubs. "We have premier access to Lake Michigan, superb dining from a casual lunch to a special dinner and anything in between, as well as many themed parties with specialty food. Our members enjoy the use of our club-owned Ideal 18 (sailboats), outdoor swimming pool, tiki bar, sailing school for kids and adults starting at age 7, yoga, book club, regattas, full dock crew, a cruising fleet and power fleet, reciprocals with over 200 yacht clubs all across the country and Virgin Islands, and we are in the process of finalizing arrangements to provide a pontoon boat for our members to rent so that everyone can enjoy the Club, even without a boat: We have something for everyone!" explains Kathy.

Tony is a partner at two recruitment firms in Wauwatosa: MYCO USA, a unique, retained search firm established in 2002 and MYCO Driver, established in 2010. MYCO USA is a specialized recruitment firm that works with various business in targeted industries such as transportation/logistics, regulated manufacturing, environmental services and clean technologies. MYCO Driver is focused within the transportation industry, providing professional driver recruitment. Tony has been a partner at

*The Kuzbas enjoy a day on the MYC's Commodore.*

MYCO for the past four years and had his own search firm, Prescient Resources, prior. Tony shares, "I enjoy partnering with clients, learning the intricacies of their specific business and solving their talent gap issues. My passion is creating competitive advantages for their clients, especially organizations that have local operations or are high-growth oriented industries."

Kiley enjoys ballet and hip-hop dance classes and participated in her first recital last year. Her favorite TV show is Dancing with the Stars. Kiley, along with her parents, often spends the evening dancing in front of the TV along with the dancers. She loves to ask her daddy to be her prince. It's a great workout for the whole family! Kiley

will be attending St. Monica's School this fall.

At the end of the boating season, the Kuzbas look forward to Notre Dame football. This was an interest Tony inherited from his dad and a passion that Kathy and Kiley have embraced. Kiley has been singing the ND fight song since she could talk. They recently took Kiley to the campus for the spring football game. She was thrilled to see the famous Golden Dome, Touchdown Jesus and to experience the game in the stadium.

While Kathy attended Cardinal Stritch University, she babysat for families in WFB. From then on, she knew that was the only place she wanted to live. The

Kuzbas reside within walking distance to all the Silver Spring businesses and often take walks enjoying all the conveniences of local businesses. "Our neighborhood has been a great foundation for our family. We have around 50 kids on our block and many babysitters who are like sisters to Kiley." Their block party is getting bigger and bigger. Last year they had three bouncy houses, a live band, arts and crafts, a water balloon toss, donut eating contest, face painting and an outdoor movie.

The 4th of July in WFB is also a joyous time for the Kuzbas. Every year, friends come over with their five children and they all walk to the parade and then enjoy a barbecue at the Kuzba's home afterwards. Later, they all go to Klode Park and meet up with more friends to watch the fireworks. "This year will be extra special as my sister from Boston and her family are coming into town and will enjoy the festivities with us" exclaims Kathy. "We feel very fortunate to live on such a warm and friendly block. WFB is a wonderful place to raise a family and we feel very blessed to be a part of this community." ●

LETTER FROM THE PRESIDENT

Dear Residents,

We all know that July is America's birthday month. However, did you know that the Village of Whitefish Bay also turns one year older in July? Whitefish Bay was incorporated as a village on July 7, 1892 and had an initial population of almost 400 residents. Today, over 14,000 individuals call Whitefish Bay home. A lot has changed in Whitefish Bay during the past 122 years, but the sense of community that led to our village's founding continues to be vibrant and strong. We are fortunate to live among friends and neighbors in a safe community. From our great schools to beautiful parks and wonderful businesses, Whitefish Bay is truly a great place to live, work and visit. Please enjoy all that summer has to offer in our village.

Sincerely,

Julie Siegel, Village President

WHITEFISH BAY POLICE DEPARTMENT

July 4th in Whitefish Bay is a fantastic day.

If you have yet to experience a 4th of July in Whitefish Bay just ask your friends and neighbors what you have been missing. Starting with the 4th of July parade in the morning, continuing with a full day of activities at Klode Park, and ending with a one-of-a-kind fireworks display with Lake Michigan as a backdrop in the evening. Very few days can rival Independence Day in our community. With everything there is to do on July 4th in Whitefish Bay, the police department wants to remind everyone to leave the use of fireworks to the professionals. According to the National Fire Protection Association in 2011, fireworks caused an estimated 17,800 fires, including 1,200 structure fires. On average there are more house fires reported on Independence Day than any other day of the year in the United States.

The use and possession of fireworks is also illegal in Whitefish Bay. If you are unsure whether the fireworks you have are legal or not, consider this: If it flies, explodes, causes fire on ignition or sustains fire, it is illegal.

Please be mindful of everyone's safety and have a great July 4th this year.

NORTH SHORE FIRE DEPARTMENT

Suspect a Stroke? Act FAST and call 9-1-1!

According to the American Stroke Association, strokes occur every 45 seconds and nearly 700,000 people in the United States suffer a stroke every year. Stroke is the fourth-leading cause of death in the United States, but second worldwide.

North Shore Fire/Rescue would like to take some time to ensure everyone is aware of some very simple ways to identify someone you suspect may be having a stroke and what to do to get that person the help they need.

Healthcare professionals commonly use the acronym FAST when describing signs and symptoms to look for in a person you suspect may be having a stroke:

Face- Ask the person to smile. Look to see if their smile appears uneven or droopy.

Arms- Ask the person to raise both arms or squeeze your hands with their hands. Check to see if one arm appears to drift or if their grip seems weaker than the other.

Speech- Ask the person to speak. Listen

for slurring of words or difficulty repeating simple sentences.

Time- Call 9-1-1 at the first sign of a stroke. It is important to note the last time the person was known to be well. This will be especially important to EMS personnel and providers at the hospital.

Strokes can affect people in different ways. Some other signs that are important to recognize in a person who may be experiencing a stroke include: severe headache with no known cause, difficulty walking, dizziness, loss of balance or coordination and trouble seeing in one or both eyes.

Much like a heart attack, time is of the essence in getting a suspected stroke patient to definitive care. Quickly activating the 9-1-1 system when you recognize the first signs of a potential stroke is an essential step in ensuring that person will get the most timely and appropriate emergency care possible.

More information about strokes can be obtained from the American Stroke Association at [www.strokeassociation.org](http://www.strokeassociation.org).

PROPERTY ASSESSMENT UPDATE

During the months of June and July, a representative of the Village Assessor's Office will be in the field capturing a digital image of the homes and businesses in the Village. These images will assist the Assessor's Office in establishing 2014 assessment values and will bring the Village into compliance with Wisconsin Department of Revenue requirements on the electronic data that is to be maintained by Wisconsin municipalities.

### Adult Summer Reading Program

There's still time to join the fun of our Adult Summer Reading Program, "Literary Elements." Read books to win prizes; it's that easy! Prize drawings happen every week in July, with our Grand Prize drawing on **August 1**.

Stop by Adult Services to sign up.

### Ray Kamalay's Musical Flea Market: Treasures and Trifles From Our Melodious Past

Wednesday, July 16 at 7:00 pm

Whether its Delta blues or J. S. Bach, the music of Ireland or the music of Brazil, Ray has built a remarkably diverse and historic repertoire of music that is familiar, intriguing and fun. CHazen Schumacher from NPR's Jazz Revisited said, "Ray has put together a collection of songs that deserves to be reviewed over and over again." Stop by Adult Services to pick up your FREE tickets.

### Summer Reading for Children and Teens

It's not too late to sign up for summer reading program! Sign up and receive your reading log. Then, read on your own, read together, be read to, or read to someone else. Keep track on your reading log and earn wonderful prizes.

You won't want to miss the wonderful programs we have during July. We have storytimes for little ones, bridge-building, catapult-making, unk art for elementary-school-aged makers, Mythbusting, stop-motion animation for teens and wonderful performers perfect for families.

### Meet New Friends

If you're proud of our library and would like to see it continue to flourish, please consider becoming a Friend of the Whitefish Bay Library. For more than 50 years, the Friends of the Whitefish Bay Library have worked to support library services and offer programs for patrons of all ages.

As a Friend, you'll receive a subscription to Page Turner, the Friends' newsletter; invitations to Friends' events; the opportunity to add your skills as a volunteer at events or on committee and first choice of books and exclusive attendance at members-only Preview Nights preceding the annual Spring and Fall Book Sales.

Friends' annual membership dues start as low as \$15 a year. To learn more about joining the Friends of the Whitefish Bay Library, go to the Library's website [WFBLibrary.org](http://WFBLibrary.org) and click on the Friends tab. Or contact Membership Chairman Ellen Mei at [emariemei8@gmail.com](mailto:emariemei8@gmail.com).

## WHITEFISH BAY HISTORIC PRESERVATION COMMISSION

### How to Preserve the History of your Home

With the home repair and maintenance season well underway, Whitefish Bay homeowners will want to ensure that the contractors they hire take steps to preserve the historic character of their properties. In Whitefish Bay, that means 2 out of 3 of us.

A study by the State of Wisconsin in 2010-11 determined that more than 2,700 structures in Whitefish Bay – about two-thirds of the total housing stock – are considered historically contributing properties. Of those, nearly 2,000 structures are located in potential historic districts which, if placed on the National Register of Historic Places, would qualify the owners for 25% income tax credits on maintenance and repairs to their properties. For commercial properties, the income tax credit is 40%.

Historic Milwaukee, Inc. has recently published a preservation contractor directory as a resource for owners of historic homes and commercial buildings. You can find it at [www.historicmilwaukee.org/preservation/contractor-directory](http://www.historicmilwaukee.org/preservation/contractor-directory).

While routine tasks like painting, tuck pointing, and utility upgrades are fairly straightforward, some jobs such as roofing, window replacement, or building an addition can get more complicated, and as such, some contractors may not know the proper techniques for working with historic materials or styles. Not doing the job correctly could not only mar the appearance of the property, but result in the loss of eligibility for income tax credits, as well as a decline in the property's market value. So when considering a project, tapping the

experts in the Historic Milwaukee directory is a good starting point for making sure costly mistakes are not made.

The Historic Milwaukee directory is made up of 103 contractors and is divided in 33 different categories based upon the services they provide. The 33 categories cover a wide range of services, including professionals such as architects and engineers; the trades including electricians, masons, and plumbers; and craftsmen who specialize in carpentry and millwork, plastering, stained glass, and antique restoration. Most of the contractors are based in the Milwaukee area.

Historic Milwaukee will be regularly updating the contractor directory and welcomes your suggestions to expand and enhance this preservation resource.

## Bell Orthodontics Solutions: An Office for the Entire Family

Celebrating only their third anniversary, Bell Orthodontic Solutions has become a premier orthodontic office for the entire family. Bell Orthodontic Solutions offers many different options to meet the needs of their patients, tailoring treatment to what the patient needs using the simplest and most effective methods. They offer cutting edge orthodontic care using the latest in modern braces, ceramic or clear braces and Invisalign treatment for patients of all ages.

Dr. Gregory Bell is an orthodontist who is recognized and appreciated for his clear communication style and gentle care. Dr. Bell explains his underlying philosophy, "Each individual who enters our doors is to be treated with personal and courteous attention. This begins at the new patient consultation. It's important to me that patients and their families are comfortable and confident in our care before making

any commitments, because orthodontic treatment is a significant long-term investment in dental health and appearance."

Dr. Bell sees his patients in three locations: Cedarburg, Port Washington, and a recently relocated and remodeled office in Glendale.

Dr. Bell was born in England and moved to St. Louis when he was nine years old. Upon completion of his orthodon-

tic education, he moved to Wisconsin. He and his wife Lynn have two young children, Jack and Caroline.

Dr. Bell explains his passion for what he does. "I love the orthodontic profession! To me, there is nothing more satisfying about using my skills and abilities to improve a smile. A smile holds the key to self-confidence and self-esteem. And, because each smile is unique, I enjoy getting to know the

person behind the smile. Seeing my patients over the course of their treatments allows me to build lasting relationships; relationships that are very rewarding!" Dr. Bell goes on to explain. "My staff shares many wonderful personality traits: friendliness, politeness, honesty, and a desire to learn and excel. This all propels me to advance the office to new levels."

orthodontics, they think of teenagers, when in fact most orthodontic treatment today begins between the ages of 9 and 14.

Drawing on his own personal family experience, Dr. Bell understands the challenges working with the younger kids. He explains, "One of our most important goals as an office is to infuse a sense of fun and excitement into the treatment of our patients, especially the younger ones! It's what sets us apart from other offices. By providing monthly and seasonal contests, fun and informative interactions on our office Facebook page, the 'Bell Bucks' incentive reward program and our Kids Club for younger siblings who are not quite ready for orthodontics, we strive to accomplish this goal." Each spring they host a Patient Appreciation Party. The 2014 party was held in April with more than 500 people in attendance.

Having some fun with a play on his last name, Dr. Bell explains, "We also have a great tradition of 'ringing the bell' when your braces are removed. Each office has

a large brass bell that patients get to ring after their new smile is revealed."

Orthodontic treatment is not only limited to children and teenagers. More adults than ever before are seeking treatment. Thanks to today's smaller, less visible, more comfortable brackets, adults are now also finding braces more appealing.

Invisalign is also a very appealing option. Dr. Bell explains, "There has been a tremendous surge in the popularity and capability of Invisalign treatment. Now we can offer an almost invisible option when it comes to aligning teeth. Adults and teenagers love it!"

Giving back to the community is also vitally important to this practice. Dr. Bell is active in the Smiles Changes Lives (SCL) organization. SCL promotes increased self-esteem and improved oral health for children from low-income families in need of orthodontic treatment and connects them with orthodontic providers willing to donate their services to deserving patients. Dr. Bell remarked that, "being an SCL provider allows me

the opportunity to do exactly what I enjoy doing: making beautiful smiles and all while knowing that I'm giving back to the communities in which I work. I'm very excited to be a part of such an amazing program!" Additionally, Bell Orthodontic Solutions periodically organizes community fundraisers benefiting such organizations as the Ozaukee County Humane Society or the Ozaukee County Food Sharing Food Pantry. They also visit local schools to provide oral hygiene and dental care presentations, and are proud supporters of many local schools, churches, community events and sports teams.

Bell Orthodontic Solutions invites you to visit them

Allie Giese from WFB (attends Dominican HS)

and see what they are all about! Learn more about their practice, the team and the treatments they provide by visiting their web site at [www.bellortho.com](http://www.bellortho.com), finding them on Facebook or just give them a call (262) 377-7410. Consultations are always free. •

## WHITEFISH BAY CIVIC FOUNDATION NEWS

The Whitefish Bay Civic Foundation is proud to announce the 2014 4th of July Parade Grand Marshall, Tom Fehring. Tom is a commissioner on the Whitefish Bay Historic Preservation Commission, Village historian, and author of two books on the history of the Village of Whitefish Bay. In 2007 Tom was named "distinguished volunteer" by the WFB Village Board for service to the community. He has served as a Village Board Trustee, President of Dominican High School, and as a member of various other volunteer committees.

The annual Whitefish Bay 4th of July parade kicks off at 11:30 a.m. with the "Ringing of the Bells." This pre-Civil War tradition honors the anniversary of the ringing of the Liberty Bell on July 4, 1776 to mark the signing of the Declaration of Independence. Bay Shore Lutheran Church, Divine Charity Evangelical Church, and St.

Monica's Catholic Church will all be participating in the bell ringing ceremony.

Following the parade, join friends, family and neighbors at Klode Park for an afternoon of food, kid's activities and live entertainment featuring performances by the 5 Card Studs, Southbound, and the Joe Neary Band. The fireworks display, presented by Sendik's, starts at 9:30 p.m.

Remember, chairs and blankets cannot be placed along the parade route until sunrise on July 4th. All picnic tables at Klode Park are for festival use, not private group gatherings. Items, including blankets and chairs, left unattended at Klode Park before 4:00 p.m. will be removed.

Want the full schedule of July 4th festivities? Visit our website at [wfbcivicfoundation.org](http://wfbcivicfoundation.org).

**Sidewalk Sale**

Silver Spring Drive, Whitefish Bay

Friday, July 18 & Saturday, July 19

Come one, come all to an event whisked out of your wildest dreams as shops on Silver Spring Drive take their wares to the streets!

The Whitefish Bay Business Improvement District and the businesses along Silver Spring Drive in Whitefish Bay are excited to announce this year's Annual Sidewalk Sale for Friday, July 18th and Saturday, July 19th.

The annual Sidewalk Sale is an event not to be missed with incredible deals on fine, distinctive merchandise

displayed street side. Stop down, swing by, and browse to your heart's content - all the wondrous wares that our shops, salons, boutiques, and spas can provide will be put out for you to peruse through during a relaxed summer saunter down Silver Spring Drive.

Be aware that deals and shopping hours vary per business. But rest assured, each merchant has very special plans - just for you. Details to be made available at [www.shopwhitefishbay.com](http://www.shopwhitefishbay.com).
